

## Revision in Rail Haulage

Date: 22.04.2022

Dear Customer,

This advisory is being published based on the circular issued by Ministry of Railways, New Delhi on 21st April 2022. As per the circular, rail haulage is increasing by **5%** for movement of laden containers effective 01<sup>st</sup> May 2022.

At Adani logistics, we are continuously striving to be most efficient and valuable business partner to our customers. In our endeavour to constantly provide you better service we have revised our **Rail Haulage Tariff** for all our facilities effective 01<sup>st</sup> May 2022.
