

Date: 21st Sep 2023
Trade notice: AP(D)PL/06/2023

To,
All Stakeholders/Shipping Agents/Customers,
Dahej.

Subject: Sustainability charge and amendment to mooring charge

AP(D)PL is always dedicated to delivering best in class services for customers and stakeholders on a continuous basis and has been a trusted partner to all stakeholders and merits a deep-rooted partnership with all valued clients. The port on a regular basis keeps on reviewing and revising the tariff structure periodically.

AP(D)PL is moving towards a Green Sustainable Port which attempts to reduce its carbon footprint, waste, and pollution, and enhance biodiversity by employing sustainable practices in port and the strategies including activities that AP(D)PL undertakes to meet current and future needs of those who use it, while protecting and sustaining human and natural resources ensuring smooth global trade by sea.

To contribute to a greener future and support sustainable initiatives, AP(D)PL is introducing Sustainability charges applicable with effect from 15th Oct 2023.

Also Mooring charges have been revised as per the table below.

The details of the applicable charges are listed below. The revised charges will be applicable with effect from 15th Oct 2023.

Marine Services	UOM	Existing Tariff Rate (USD)	Revised Tariff New Rate (USD)	Remark
Mooring Charges	Per GRT	\$ 0.034720	\$ 0.0410	Minimum Charges \$ 210.
Sustainability charges	Per GRT	-	\$ 0.050	Minimum Charges \$ 250.

Above is for your information and further circulation please.

Capt. Pankaj Kumar Sinha,
Head Marine Services,
Adani Petronet (Dahej) Port Ltd.
