Circular no: DPCL/TRADE/03/2019

To,

Date: 30th Sep 2019

Shipping Agents, Dhamra Port

Trade Notice No: 03/2019 – Fuel consumption details for vessels calling Dhamra Port reg.

As part of APSEZL Sustainability Initiative, the Port will be collecting vessel fuel consumption data (Fuel consumed by vessels when in the port limit). This information will help the port to calculate the Green House Emission being generated due to Port Operations and will be used in the Adani Group's Sustainability Report.

It is therefore requested to kindly inform all vessels calling under your agency to collate and forward the below requested data to your good office for onward transmission to the port.

| Name of the vessel/VCN | Date of arrival in port | GRT of vessel | Type of vessel | Main Engine power (BHP) | A/E power and No (KW) | Arrival Bunker Figures when entering/crossing Port Limit (A) | | Bunker if any Received in Port (B) | | Date of Departure from Port | Departure Bunker Figures when exiting/crossing Port Limit (C) | | Bunker consumption in Port (D= A+B-C) | |
|------------------------|-------------------------|---------------|----------------|-------------------------|-----------------------|--|--------|------------------------------------|--------|-----------------------------|---|--------|---------------------------------------|--------|
| | | | | | | HFO | Diesel | HFO | Diesel | | HFO | Diesel | HFO | Diesel |
| | | | | | | | | | | | | | | |

This initiative will be rolled out w.e.f 1st Oct 2019 and is required to be complied by all vessels calling the port.
