

Trade Notice: DPL/Marine/05/2023
Date – 16-Feb-2023

To,
Shipping Agents,
Dighi Ports Ltd.

Subject: Guidelines on compliance with MARPOL Annex VI

Reference: Engineering circular 02/2023 issued by DGS Dated 31st January 2023.

All ships calling Dighi port are advised to strictly comply with guidelines mentioned in attached DGS circular 02/2023 issued by DGS Dated 31st January 2023.

Based on appended guidelines from DG shipping, for now, Dighi Port shall be withdrawing the applicable charges from the vessels using open loop scrubber within the Dighi Port Limits with immediate effect until further notice issued or being intimated by the DG shipping on the resolution of green port initiative and guidelines for using VLSFO by all the vessels in port limits.

Dighi Port has always supported the Trade and we believe that Trade has to run with sensitivity towards the environment and support on green port initiatives.

Please inform vessels calling under your agency for necessary compliance as per the attached circular issued by DG shipping.

Enclosure: Engineering circular 02/2023 issued by DGS Dated 31st January 2023.
