**Subject: Waiver scheme for the Vessels using LNG (Liquefied Natural Gas) as fuel**

Dear Sirs,

MIDPL Kattupalli Port always pursues the highest standards of safety, quality and environmental protection which lead us to introduce part waiver scheme for those vessels using LNG (Liquefied Natural Gas) fuel at Kattupalli. This scheme will meet the country's goal for lower emissions under Green Ports Plan and will also encourage the vessels to use LNG as fuel.

**50% waiver will be offered for vessels using LNG as fuel based on following criteria:**

1. Waiver scheme is applicable for all vessels which run by Dual Fuel Engine using LNG as primary fuel.
2. Kattupalli Port will offer 50% discount on Pilotage and Berth Hire Charges.
3. Above referred waiver is applicable only for those vessels which use only LNG as fuel within Kattupalli Port Limits.
4. Waiver on Port charges will not be applicable for those vessels which are carrying LNG as cargo and using LNG fuel.
5. For applicable waiver, Vessels must produce the IAPP or similar objective evidence in the form of certificate prior arrival at Kattupalli Port limit, which must indicate the specification of the vessel's Engine and Fuel details to avail the waiver scheme.
6. Presently, waiver scheme will be effective from 01<sup>st</sup> August 2021 and will remain in force up to 31<sup>st</sup> January 2022 and thereafter it will be reassessed for the further extension.
7. All other Port charges except those mentioned in point no. 2 above will be charged as per applicable Kattupalli Port BPTS tariff.
