Sub. : Half yearly Compliance report of Environment and CRZ Clearance for "Handling facility of General Cargo / LPG /Chemicals and their storage terminal at Navinal Island, Mundra taluka of Kutch district, Gujarat"

Ref. : Environment and CRZ clearance granted to M/s Adani Ports & SEZ Limited vide letter dated 25<sup>th</sup> August, 1995 bearing no. J-16011/13/95-IA.III

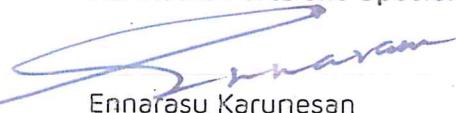

Dear Sir,

Please refer to the above cited reference for the said subject matter. In connection to the same, it is to state that copy of the compliance report for the Environmental / CRZ Clearance for the period of October'15 to March'16 is enclosed here for your records. The stated information is also provided in form of a CD (soft copy).

Thanking you,

Yours Faithfully,

For Adani Ports and Special Economic Zone Limited

Ennarusu Karunesan

Chief Executive Officer, APSEZL

Encl.: As above

# **Compliance Report**

**Adani Ports and SEZ Limited**

**From : October'15  
To : March'16**

**Status of the conditions stipulated in Environment and CRZ Clearance**

**Half yearly Compliance report of Environment and CRZ Clearance for "Handling facility of General Cargo / LPG /Chemicals and their storage terminal at Navinal Island, Mundra taluka of Kutch district, Gujarat" issued vide letter no. J-16011/13/95-IA.III dated 25<sup>th</sup> August,1995**

<b>Sr. No.</b>	<b>Conditions</b>	<b>Compliance Status as on 31-03-2016</b>
2(i)	All construction designs / drawings relating to various project activities should have the approval of the concerned State Government departments / Agencies.	Complied. Information has been already submitted to the Ministry of Environment, Forest & Climate Change & there is no further change.
2(ii)	To prevent discharge of bilge wastes, sewage and other liquid wastes from the oil tankers / ships into marine environment, adequate system for collection, treatment and disposal of liquid wastes including shore line installation and special hose connections for ships to allow for discharge of sewage must be provided.	Being complied. <ul style="list-style-type: none"> <li>• Ships berthing at Mundra Port comply with MARPOL regulations.</li> <li>• No discharge is allowed into marine environment inside port limits and APSEZL does not receive sewage/liquid waste from ship.</li> <li>• Oily sludge (a mixture of oil, water and dirt) is disposed through authorized recycler / re-processor.</li> </ul>
2(iii)	The quality of treated effluents, solid wastes, emissions and noise levels etc. must confirm to the standards laid down by the competent authorities including the central and State Pollution Control Boards under the Environment (Protection) act, 1986 whichever are more stringent.	Being complied. The quality of treated effluent, emission and noise level is being monitored regularly by a MoEF&CC/NABL accredited agency.  Monitoring report for the period from October, 15 to March, 16 is enclosed as <b>Annexure-1</b> .
2(iv)	Adequate provision for infrastructure facilities such as water supply, roads, sanitation etc. should be ensured so as to avoid environmental degradation in the surrounding areas. These facilities should be brought into existence during the construction phase and will remain in existence thereafter as part of the infrastructure build up in the area for local developmental purposes.	Complied. Construction activity is already completed. Adequate infrastructure facilities have been provided during construction phase and are presently available.
2(v)	Adequate noise control measures should be ensured in various project activities and due to increase in the traffic which is likely to take place during construction and operational phases.	Following noise control measures are taken <ul style="list-style-type: none"> <li>• All DG set are installed with acoustic enclosure.</li> <li>• Green Belt has been developed.</li> <li>• Traffic signage has been provided to reduce unnecessary blowing of horns.</li> </ul>

**Adani Ports and SEZ Limited**

**From : October'15  
To : March'16**

**Status of the conditions stipulated in Environment and CRZ Clearance**

**Half yearly Compliance report of Environment and CRZ Clearance for "Handling facility of General Cargo / LPG /Chemicals and their storage terminal at Navinal Island, Mundra taluka of Kutch district, Gujarat" issued vide letter no. J-16011/13/95-IA.III dated 25<sup>th</sup> August,1995**

<b>Sr. No.</b>	<b>Conditions</b>	<b>Compliance Status as on 31-03-2016</b>
2(vi)	The water quality parameters such as dissolved oxygen, ammonical nitrogen and other nutrients etc. should be measured at regular intervals to ensure adherence to the prescribed standards of water qualities. Suitable ground water monitoring should also be undertaken around the sludge lagoons and regular reports to be submitted to the Ministry for evaluation.	<p>Being complied.</p> <ul style="list-style-type: none"> <li>• The waste water (if any) is being treated in ETP. Monitoring report of the treated effluent is enclosed as <b>Annexure-1</b>.</li> <li>• Sludge generated from ETP is being disposed off through authorized common TSDF facility at SEPPL/NECL.</li> <li>• The complete facility is on Navinal island and the area of ETP is paved therefore there is no possibility of contamination of water.</li> </ul>
2(vii)	Adequate culverts should be provided for smaller creeks so that breeding grounds for crabs, mud snappers and other marine organisms are not cut off by road construction activities.	<p>Complied.</p> <p>Construction activity is already completed. Details of culverts provided is submitted to the Ministry of Environment, Forest &amp; Climate Change along with half yearly compliance dated 02.12.2013.</p>
2(viii)	A hundred meter wide mangrove belt should be created all along the west of Navinal Creek till its junction up to new road. Green belt of 50 M width should also be provided all along the periphery of the plant site and along the roads, storage tanks etc. at 1500 trees per hectare. All details regarding the Mangrove belt and other afforestation work must be worked out in consultation with the State Forest Department, and details sent to the Ministry.	<p>Complied.</p> <p>Details of the developed mangrove along the west of Navinal creek and green belt details are submitted to the Ministry of Environment, Forest &amp; Climate Change along with half yearly compliance dated 02.12.2013. Details on mangroves afforestation carried out by APSEZL till date is annexed as <b>Annexure - 2</b>.</p>
2(ix)	Arrangements should be made for ensuring fresh water availability for various project related activities. Special water harvesting programs should be undertaken in the project impact area. Details of these activities should be reported to the Ministry.	<p>Details of the same is submitted to the Ministry of Environment, Forest &amp; Climate Change along with half yearly compliance dated 02.12.2013.</p>

Adani Ports and SEZ Limited

From : October'15  
To : March'16**Status of the conditions stipulated in Environment and CRZ Clearance**

**Half yearly Compliance report of Environment and CRZ Clearance for "Handling facility of General Cargo / LPG /Chemicals and their storage terminal at Navinal Island, Mundra taluka of Kutch district, Gujarat" issued vide letter no. J-16011/13/95-IA.III dated 25<sup>th</sup> August,1995**

Sr. No.	Conditions	Compliance Status as on <b>31-03-2016</b>
2(x)	While filling the storage tanks, compatibility of the chemicals should be ensured for chemical safety. Since 5000 MT capacity is proposed to be created for cryogenic conditions, necessary HAZOP study should be initiated and submitted to the Ministry within three months. Calculations carried out on the basis of EFFECT MODEL for this storage should be rechecked for various accident scenarios. Keeping in view the safety aspects, Horton spheres of 1250 MT capacity each should be preferred.	Separate oil pipe lines and tanks have been provided for POL and Edible grade oil. The project of storage for product in cryogenic condition is now under consideration.
2(xi)	The measures suggested by the Gujarat State Pollution Control Board in February, 1995 while according "No Objection Certificate" should be strictly followed and authorization certificate required for converting NOC into "consent to operate" should be submitted within three months.	Complied. Consent to operate (CC&A) has been obtained from GPCB vide consent no. AWH 60840 valid till 17 <sup>th</sup> November, 2016.
2(xii)	For ensuring the acceptance of the project by the local people, a Resolution of the Official Panchayat of the Region should be obtained offering their concurrence in writing by the project proponents and submitted to the Ministry by 31st October, 1995.	Resolution from the Panchayat has been obtained and submitted to the Ministry of Environment, Forest & Climate Change on 31 <sup>st</sup> July, 2012.

## Status of the conditions stipulated in Environment and CRZ Clearance

**Half yearly Compliance report of Environment and CRZ Clearance for "Handling facility of General Cargo / LPG /Chemicals and their storage terminal at Navinal Island, Mundra taluka of Kutch district, Gujarat" issued vide letter no. J-16011/13/95-IA.III dated 25<sup>th</sup> August,1995**

Sr. No.	Conditions	Compliance Status as on <b>31-03-2016</b>
2(xiii)	A permanent staff structure should be created with latest R&D facilities and suitable equipments for environmental and forestry activities through creation of Environmental cell. Adequate funds should be earmarked for this cell.	<p>Complied.</p> <p>APSEZL has a well structured Environment Cell, staffed with qualified manpower for implementation of the Environmental Management Plan.</p> <p>Separate budget for the Environment Protection measures is earmarked every year. All environmental and horticulture activities are considered at group level and budget allocation is also done accordingly. Detail break up of budget spent during FY 2015-16 for Environment Protection measure attached as <b>Annexure - 3</b>.</p>
2(xiv)	Landsat imagery should be obtained on a continuous basis covering various seasons to study the change in the land use pattern due to the project and project related activities.	Project is in operation phase since many years and there is no change in the land use during the period from Oct'15 to March'16.
2(xv)	With a view to providing adequate job opportunities to local people, facilities for technical training and development of skills should be made available in consultation with the state Harbour Department, and to this end it must be ensured that there is allocation of adequate funds. The local people should be involved in the afforestation program proposed for the scheme to ensure public participation and success of vegetation programmes.	<p>Complied.</p> <ul style="list-style-type: none"> <li>• Adani Skill development center, Mundra is providing skill development training to the locals.</li> <li>• Preference is given to local people for employment based on their qualification and experience.</li> <li>• Local personnel and horticulture experts are involved in the afforestation programs.</li> <li>• Mangrove afforestation and maintenance at Mundra is being done through active participation of local fishermen.</li> <li>• Details on skill development training imparted during period of October, 15 to March, 16 by Adani Foundation are enclosed as <b>Annexure-4</b>.</li> </ul>

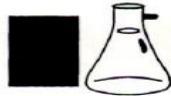

Adani Ports and SEZ Limited

From : October'15  
To : March'16**Status of the conditions stipulated in Environment and CRZ Clearance**

**Half yearly Compliance report of Environment and CRZ Clearance for "Handling facility of General Cargo / LPG /Chemicals and their storage terminal at Navinal Island, Mundra taluka of Kutch district, Gujarat" issued vide letter no. J-16011/13/95-IA.III dated 25<sup>th</sup> August,1995**

Sr. No.	Conditions	Compliance Status as on <b>31-03-2016</b>
2(xvi)	Prior clearance must be taken under the Hazardous Chemicals (manufacture, import and storage) Rules 1989, as amended up to date, from the competent authority. Such clearance will have to be taken prior to the commissioning of the project.	Complied. Permission under MSIHC has been obtained and the details of the same has been submitted to Ministry of Environment, Forest & Climate Change along with the half yearly compliance report dated 02.12.2013.
2(xvii)	A detailed progress report should be submitted to the Ministry on each of the conditions stipulated above in respect of the follow-up action taken every six months. The first of these two reports should be sent in by 31.3.1996.	Being complied regularly. Half yearly compliance report is being submitted regularly. Last half yearly compliance report was submitted to Ministry of Environment, Forest & Climate Change on 24.11.2015 in soft as well as hard copy.
2(xviii)	Financial requirements for implementation of the above indicated environmental mitigative measures should be worked out and included in the total cost of the project. Provision for enhancing this allocation in future should also be made.	Complied. Separate budget for the Environment Protection measures is earmarked every year. All environmental and horticulture activities are considered at group level and budget allocation is also done accordingly. Detail break up of budget spent during FY 2015-16 for Environment Protection measure attached as <b>Annexure – 3</b> .

# **Annexure – 4**

Adani Skill Development Centre (ASDC) is playing a pivotal role in implementing sustainable development in the state.

Several miscellaneous industries exist in Kutch district. Adani Skill Development Centre has started a centre in Mundra block so that the needs of these industries are fulfilled, the local youth is enrolled in various training / skill courses and the distance between the both is minimized.

The objective of this center is to impart different kinds of training to the students of 10th, 12th, college or ITI from surrounding areas. Thus, various employment-oriented trainings are organized to optimize the skills, art and knowledge through proper guidance and direction.

Due to social and cultural traditions, various training programmes are organized at school or village level for youth and women so that they can gain the benefits in the future as well.

Adani Skill Development Centre provides opportunities to the young people to become self-reliant, responsible and active citizens.

**ASDC is proud that along with generating employment, it has also been a source of inspiration for entrepreneurship.**

**Vision:**

To systematize the skill development efforts in the Nation and create an environment where youth and women not only get some vocational training but also gets some gainful employment, entrepreneurship and self-respect.

**Objective:**

- Bridge the wide gap in demand & supply of human power.
- Awareness regarding availability, needs and vision for career development and education.
- Facilitation, spreading awareness, creating new opportunity to upgrade skills through organizing various skill trainings in the region.
- To improve overall status of rural Youth and women in the society by enhancing confidence and entrepreneurship in them.

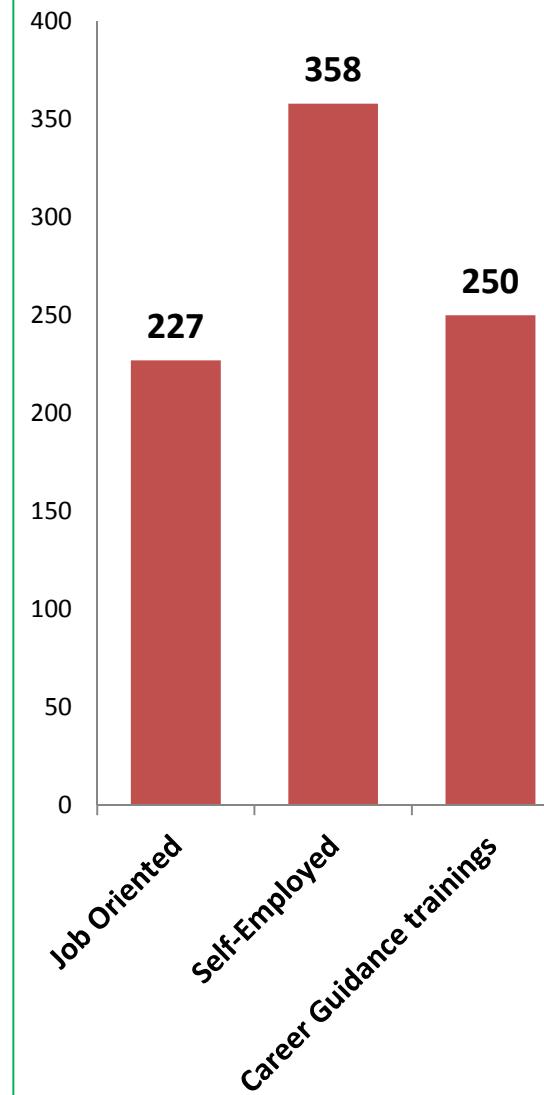

- Encouraging youth for participatory approach in social and economic activity and helping them to keep away from addictions, to become self-dependent, and empower them to live a dignified life.
- To build a feeling of harmony in the society by creating a rapport of goodwill, mutual trust and respect.

**Skill development trainings administered by ASDC**

Each training module of ASDC is well-designed to make the learning more effective. Hands on experiment **is** the key factor to enhance learning in all the courses offered by ASDC.

All the trainings are offered at either ASDC centre, Port, Power plant, or at specific villages depending on the need of the module and the students. Certificate for each course is given by ASDC or by partner institute.

**Type of Trainings - 835 Youth Trained**

- IT- Basic Computer**  
Word, Excel, Power Point, Internet, Web Browser detail
- Tally ERP 9**  
Basic Accounts, Voucher Entry, Ledgers, Group Creation, VAT, TDS, Service tax, Excise etc. is taught for 60 days to benefit students of class XII and above having commerce background.
- Spoken English**  
Grammar, Tenses, Vowels, Articles, Prepositions, Phonetics, Tenses, Communication Skills etc. are offered especially for students and working people. The duration for this course is of 60 days.

Beauty Parlour, Tailoring, Mud work, Thread work, Glass Painting, Fabric work each Basic Embroidery work etc.

## **"Project Swaadheen"-**

We gave this name as it proves to be helping the students to become "swaadheen" - self motivated. Total 65 students from 9th & 10th Std. participated in this training.

This unique project was implemented in collaboration with an organization Lend – a - Hand India and Zarpara School. We provided vocational training and career guidance to young boys and girls from urban and rural communities in pre-identified trades as a part of secondary school curriculum.

This year we initiated this project at Zarpara High School and trained the students in various skills related to Electricity, Engineering, Agriculture and Animal Husbandry, home and health etc. Students gained a lot of practical knowledge, guidance of right vocation for them, self-dependence and confidence.
