Dear Valued Customer,

We would like to thank each one of you for your continued support towards Adani Ports & Special Economic Zone. The increased volume at our terminals is the testimony of the same.

To synergize the Export movement across Adani Ports & Special Economic Zone, and to facilitate the trade with a more streamlined, efficient, and swift process of transacting the Export containers arriving at Mundra Terminal, we would be implementing following process:

By Road: -

Gate Close - 6 Hrs. before last updated ETA of vessel.

By Rail: -

Gate Open – Pre-advising to be allowed for "**02 VCN**" of each Service.

Gate Close - 6 Hrs. before last updated ETA of vessel.

This advisory does not supersede any present arrangement in any agreement.

We Request all the shipping lines to plan and arrange the Export Movement accordingly.
