| Description                    | Rate  | Remarks   |
|--------------------------------|---|---|
| <b>Weighment Charges</b>       | Rs 25,000/- per weighment train               | <p>In reference to the Railway Board letter No. TC-1/2019/109/03 Dated 25.07.2019, trains carrying import containers are exempted from 100% mandatory weighment subject to fulfilling of the guideline provided therein.</p> <p>However, due to non adherence of the policy guidelines, rakes carrying Exim containers are required to be weighed. This is resulting in detention of the rakes, affecting port's productivity and requiring additional resources.</p> <p>APSEZ will levy Rs. 25,000/- per rake when weighment of the rake (including double stacked rake) carrying EXIM containers is to be done when the CTO is not able to release the rake and transfer the data in FOIS prior to removal from the loading line.</p> |
| <b>Track occupancy Charges</b> | Rs.50,000/- per train per day or part thereof | Track occupancy charges of Rs.50,000/- per rake per day will be levied when the rake is stabled between Adipur – Mundra Port or arrived at the R&D Yard without comprehensive disposal plan.  |

Tax as applicable will be charged on above rates.

The revised rate will be effective from 24.04.2022.
