"Great news! With the continuous reduction in fuel prices, the revised fuel surcharge has come down to zero as of 01-06-2023. This means that there will be no fuel surcharge applied for the next fortnight from 01-06-2023 to 15-06-2023.

Please note that fuel prices will be administered every fortnight and hence fuel surcharge may become applicable if fuel prices increase in the future."
