

Circular no: APSEZL/32/2019
Date: 26TH Sep 2019

To,
Shipping Agents,
APSEZ Mundra

Trade Notice: Fuel consumption details for vessels calling Mundra Port.

As part of APSEZL Sustainability Initiative, the Port will be collecting vessel fuel consumption data (Fuel consumed by vessels when in the port limit). This information will help the port to calculate the Green House Emission being generated due to Port Operations and will be used in the Adani Group's Sustainability Report.

It is therefore requested to kindly inform all vessels calling under your agency to collate and forward the below requested data to your good office for onward transmission to the port.

Name of the vessel/V CN	Date of arrival in port	GRT of vessel	Type of vessel	Main Engine power (BHP)	A/E power and No (KWs)	Arrival Bunker Figures when entering/crossing Port Limit (A)		Bunker if any Received in Port (B)		Date of Departure from Port	Departure Bunker Figures when exiting/crossing Port Limit (C)		Bunker consumption in Port (D= A+B-C)	
						HFO	Diesel	HFO	Diesel		HFO	Diesel	HFO	Diesel

The port will start sending an auto email alert for the same as soon as the vessel is declared. This initiative will be rolled out w.e.f 1st Oct 2019 and is required to be complied by all vessels calling the port thereafter.

For, Adani Ports and SEZ LTD.
