

Environment Monitoring Report

Adani Vizhinjam Port Pvt. Ltd.

Vizhinjam, Kerala

April – 2020

1. Summary

AVPPL were unable to conduct environmental monitoring surveys and analysis in the month of April 2020 for Ambient Air Quality, Ambient Noise Quality, Marine Ecology, Groundwater and Surface Water due to the restrictions imposed by the Government of India and Government of Kerala in lieu of the effect of the COVID-19 pandemic and the lockdown situation in the country and in the State of Kerala.
