Sub : Half yearly Compliance report of Environmental Clearance for the Building and Construction Project "SVCT Mundra" at Survey No. 9/1 (Plots No. 1 to 294), 6/1 (Plots No. 1 to 464, 477 to 694) and 21/2 (Plots No. 1 to 50, 62 to 94), Village: Shiracha, Tai. Mundra, Dist. Kutch by Adani Ports and SEZ Limited (APSEZ) issued vide letter no. SEIAA/GUJ/EC/8(a)/820/2024, dated 5th June 2024.

Ref : Environmental Clearance granted to Adani Ports & SEZ Limited vide letter No SEIAA/GUJ/EC/8(a)/820/2024 dated 31st May 2024.

Dear Sir,

Please refer to the above cited reference for the said subject matter. In connection with the same, it is to state that copy of the compliance report for the Environmental Clearance for the period of October 2025 to March 2026 is being duly uploaded on the Parivesh Portal.

Additionally, a soft copy of the same is being submitted through soft copy (e-mail communication).

Kindly consider the above submission and acknowledge.

Thank you,

Yours Faithfully,

For, **Adani Ports and Special Economic Zone Limited**

Compliance Report of Environment Clearance

	Adani Ports and SEZ Ltd., Mundra (SVCT Township)	From : Oct'25 To : Mar'26
Status of the Conditions Stipulated in Environmental Clearance		

Half yearly Compliance report of Environmental Clearance for the Building and Construction Project "SVCT Mundra" at Survey No. 9/1 (Plots No. 1 to 294), 6/1 (Plots No. 1 to 464, 477 to 694) and 21/2 (Plots No. 1 to 50, 62 to 94), Village: Shiracha, Tai. Mundra, Dist. Kutch by M/s Adani Ports and SEZ Limited (APSEZ) issued vide letter no. SEIAA/GUJ/EC/8(a)/820/2024, dated 5th June 2024.

Sr. No.	Conditions	Compliance Status as on 31-03-2026																								
A. <u>SPECIFIC CONDITIONS:</u>																										
1.	"PP shall obtain all requisite statutory permission for laying of conveyance pipelines on government land before commencement of the pipeline laying activity."	Complied. APSEZ (SVCT, Siracha Colony) intimated to the irrigation department to lay a freshwater conveyance pipeline from Kutch Copper Ltd. Unit to SVCT, Siracha colony to fulfill of water requirement (Copy of the same was submitted along with HYCR for the period Apr'24 to Sep'24). At present, fresh water conveying pipeline has been laid down for supply of APSEZ desal water from Kutch Copper Ltd. Unit to SVCT colony, Siracha.																								
2.	Generated Sewage shall be treated in proposed Sewage Treatment Plant {STP} having capacity of 800 KL/ day.	Complied. Construction phase is fully completed and project is in operation phase. STP having capacity of 825 KLD with advance MBBR technology is constructed and operated in township area. Treated sewage is being fully utilized for horticulture/green belt development & toilet flushing purposes after achieving discharge norms of GPCB. Photographs of STP was submitted along with HYCR for the period Apr'25 to Sep'25. Third party analysis of the treated water is being carried out twice a month by NABL and MoEF&CC accredited agency namely M/s. Unistar Environment and Research Labs Pvt. Ltd., Vapi. Summary of the same for duration from Oct'25 to Mar'26 is mentioned below. <table><tr><th>Parameters</th><th>Unit</th><th>Min</th><th>Max</th><th>Average</th><th>Perm. Limit\$</th></tr><tr><td>pH @ 25 ° C</td><td>--</td><td>7.19</td><td>7.59</td><td>7.38</td><td>5.5 - 9.0</td></tr><tr><td>Total Suspended Solids</td><td>mg/L</td><td>12.00</td><td>18.00</td><td>16.33</td><td>20</td></tr><tr><td>Chemical Oxygen Demand (COD)</td><td>mg/L</td><td>16.40</td><td>44.20</td><td>27.23</td><td>50</td></tr></table>	Parameters	Unit	Min	Max	Average	Perm. Status of the Conditions Stipulated in Environmental Clearance		

Sr. No.	Conditions	Compliance Status as on 31-03-2026					
		Biochemical Oxygen Demand (BOD)	mg/L	4.00	9.40	7.45	10
		Nitrogen - Total	mg/L	5.90	9.20	8.04	10
		Phosphorous – Total (for discharge into ponds, lakes)	mg/L	0.70	0.94	0.82	1.0
		Fecal Coliform	MPN Index/ 100ml	24.00	28.00	26.08	Desirable- 100 MPN/100 ml Permissible- 230 MPN/100 ml
		Please refer Annexure – 1 for detailed analysis reports for the period Oct'25 to Mar'26. Approx. INR 21.38 Lakh has been incurred for all environmental monitoring activities during FY 2025-26 for overall APSEZ, Mundra.					
3.	No ground water shall be abstracted without obtaining prior permission from CGWA.	Complied. No ground water is being used. The entire freshwater requirement of the township is fulfilled by desalination plant of APSEZ.					
4.	Project Proponent (PP) shall provide recycling facilities of 714.5 KL/Day treated domestic wastewater with necessary storage tanks and pipeline infrastructure and adequate sprinklers. 614.5 KLD will be reused in gardening and flushing purpose and remaining 99.5 KLD will be used for green belt development in APSEZ area. PP shall obtain prior statutory permission for utilization of treated domestic wastewater in APSEZ Area, if any. PP shall also provide adequate storage facility for sewage management during monsoon period.	Construction phase is completed. STP having capacity of 825 KLD with advance MBBR technology is constructed and operated in township area. Treated sewage is being fully utilized for horticulture/green belt development & toilet flushing purposes after achieving discharge norms of GPCB.					
5.	PP shall provide total Car Parking Space (CPS) of 1384 cars and provide electric charging facility for 20% of total CPS. In case of total number of vehicles owned by the residents of the building exceeds the provided total CPS, PP shall be responsible for managing and providing additional CPS.	Complied. APSEZ has provide total Car Parking Space (CPS) of 1384 cars with electric charging facility. Entire parking area is earmarked for parking as per National Building Code requirement within township premises. This car park is used for said purpose only. Trained security guards are deputed round the clock to guide/help for entry, exit and parking.

Status of the Conditions Stipulated in Environmental Clearance		

Sr. No.	Conditions	Compliance Status as on 31-03-2026
		Photographs of car parking space were submitted during the compliance report submission for the period Apr'25 to Sep'25.
6.	Wherever essential permission is required for the use of government property to carry out proposed any CER activity. All requisite permissions of Govt. of Gujarat/ local body shall be obtained by PP.	Point noted and agreed
7.	PP shall provide and develop at least 10 % green belt area of total plot area within premises.	Point noted and Being Complied. Greenbelt development work is ongoing in phase wise. SVCT, Siracha colony will be developed 4.0 ha area as green belt in township premises. The open spaces within the social infrastructure project are suitably landscaped and developed with green lawns and vegetation. Presently, approximately 3.44 hectares of the area has been developed as green belt/lawn/landscaping, comprising more than 150,000 trees and shrubs. Some latest photographs of green belt area are attached as Annexure – 2.
8.	PP shall provide Environmental Cell details with staff, for implementation of submitted time bound Environment Management Plan for construction and operation phase, with relevant details of this office.	Complied APSEZL has a well-structured Environment Management Cell, staffed with qualified manpower for implementation of the Environment Management Plan at site who is looking after SVCT township also. Site environment team direct report to site Chief Executive Officer (CEO) and the CEO directly reports to the top management. The updated Environment Management Cell Organogram is attached as Annexure - 3.
9.	PP shall prepare the Air Pollution Control Action Plan and shall implement it in true letter and spirit and shall publish it at the main entrance of the unit.	Complied Construction phase is fully completed, and project is in operation phase. Following safeguard measures are taken by APSEZ for abatement of dust emissions within township. • Internal roads are paved with pakka flooring/RCC concrete • Regular cleaning of roads • Adequate Green Belt developed at roadside to reduce dust emission. • Adequate green belt/gardens developed in open space/areas.

		and sources of water is through desalination plant of APSEZ.
13.	Sewage generated during the construction phase shall be disposed off through soak pit through septic tank	Complied. Presently, the construction phase of the project has been fully completed. Generated sewage during the construction phase was treated through a soak pit/septic tank system.
14.	Explore possibilities of provision of mobile toilets in construction phase.	Complied. Presently, the construction phase of the project has been fully completed. Mobile toilet was provided for company employees & contractual labour engaged in construction work of township.
A.1.1 Health & Safety:		
15.	Project Proponent shall obtain Fire opinion/provisional fire NOC from the concern authority as per the prevailing Rules / Gujarat Fire Prevention and Life Safety Measures Act, 2016.	Point noted and complied Fire NOC is not required for buildings with a height of less than 15 meters, as per the National Building Code (NBC). Adequate fire hydrant systems and fire extinguishers have been provided within the township premises. Photographs of the installed firefighting facilities, including fire extinguishers, were submitted along with HYCR for the period Apr'25 to Sep'25.
16.	The project proponent shall obtain registration of the establishment under the building and other Construction Workers' (regulation of Employment & Conditions of Service) Act '1996 and shall comply with the provisions of the Act for the safety, health and welfare of construction workers.	Point noted and agreed Presently, the construction phase of the project has been fully completed. During construction phase sanitation facility, rest house, drinking water, refreshment provision, first aid etc. facilities were provided to construction works with relevant safety PPE's.
17.	The project proponent shall obtain registration of the construction workers as beneficiaries with the Gujarat Building and Other Construction Workers Welfare Board.	Point noted and agreed Presently, the construction phase of the project has been fully completed.
A.2 Operation Phase:		
A.2.1 WATER:		
18.	Total water requirement during the operation phase shall not exceed 1192.5 KLD, out of which freshwater requirement of 578 KLD shall be met through Desalination plant-of APSEZ Ltd and the remaining 614.5 KLD of water requirement shall met through treated	Complied Fresh water requirement for SVCT, Siracha during operation phase is being met through the APSEZ desalination plant, and records for the same are being maintained regularly.

	sewage. Metering of the water shall be done, and its records shall be maintained.	
19.	Sewage generation during operation phase shall not exceed 714 KLD which shall be treated in the proposed onsite Sewage Treatment Plant.	Complied The Township is fully operational, and generated sewage wastewater is being treated in 825 KLD capacity of STP plant. Treated water is being fully reused for horticulture/green belt development & toilet flushing purpose after ensuring the GPCB permissible norms.
20.	The unit shall install and efficiently operate STP of adequate capacity for treating the sewage to be generated during operation phase to achieve the CPCB norms at the STP outlet. Treated sewage conforming to CPCB norms shall be utilized within premises for gardening & flushing purpose at the maximum extent possible. Only remaining quantity of treated sewage shall be disposed for irrigation in APSEZ for irrigation.	Complied Presently, Sewage Treatment Plant is in operational condition and generated sewage water from residential colony is being treated in 825 KLD capacity of STP. Treated water is being reused for horticulture/green belt development & toilet flushing after ensuring the GPCB permissible norms.
21.	A proper logbook of STP operation and showing the quantity of treated sewage utilization within premises & quantity of treated sewage discharged into the drainage line shall be maintained.	Complied Township is fully operational, and generated sewage water is being treated in 825 KLD capacity of STP. Treated water is being reused for horticulture/green belt development & toilet flushing after ensuring the GPCB permissible norms and Logbooks containing all required information of operation & maintenance are maintained on daily basis.
22.	Dual plumbing system with separate tanks and lines shall be provided for utilization of treated sewage for flushing.	Complied Dual plumbing system from the final treated water tank, along with dedicated distribution lines, has been provided for the utilization of treated sewage for flushing and green belt development purposes.
23.	No bore well shall be constructed and existing bore well/s, if any, shall be either sealed or converted into the recharge well.	Point noted and Agreed There is no any existing bore wells within the premises or no requirement of new bore well construction. Water consumption of fresh water is being fulfilled by desalination plant of APSEZ. For detailed information please refer to point no. 1 of Specific Condition of EC Compliance.
24.	Rainwater harvesting from rooftop and paved areas and ground water recharge through 45 nos. of percolation wells shall be	Complied We have installed Rainwater recharge bore well (38 Nos.)

Night Time	dB(A)	43.30	57.30	47.81	70															
26.	The exhaust of the D. G. Set shall be at least 3 m above roof top.	Complied																		
27.	The gaseous emissions from the D.G. Sets shall conform to the standards prescribed under EPA rules as amended from time to time. At no time, the emission levels shall go beyond the stipulated standards	This reply covers condition number 26 & 27. Please refer to condition no. 25 of EC Compliance.																		
A.2.3 SOLID WASTE:																				
28.	The solid waste generated shall be properly collected and segregated at source. The biodegradable waste shall be converted into useful end product by treating it into the proposed onsite Organic Waste Convertor	Complied A well-established system for Municipal Solid Waste (MSW) management is in place.																		

	Adani Ports and SEZ Ltd., Mundra (SVCT Township)	From : Oct'25 To : Mar'26
Status of the Conditions Stipulated in Environmental Clearance		

Sr. No.	Conditions	Compliance Status as on 31-03-2026																								
	and the recyclable waste shall be sold to vendors whereas the other garbage shall be disposed off properly as per the provisions made by the Local Authority.	Municipal solid waste collection from township area is being done on daily bases. Collected dry waste is being transported to APSEZ Material Recovery Facility (MRF) where it is being sorted out in different streams e.g. paper/plastic/cardboard/glass/metal. These sorted wastes are further transported for recycling, whereas remaining non-recyclable waste is bailed and sent to cement plant (M/s. Ambuja Cement Ltd., Kodinar) for Co-processing as RDF (Refused Derived Fuel). Food / Organic Waste generated from township premises is being diverted to Organic Waste Converter and Biogas plant installed within premises for converting food/ organic waste into manure and / or biogas. Generated manure is being utilized by horticulture department in green belt area and biogas is being utilized in kitchen area for cooking food. Garbage and waste materials are regularly disposed off with 5R principles & environmental sound manner.																								
29.	Project Proponent shall obtain fire safety certificate / Fire No-Objection Certificate (NOC) from the concern authority as per the prevailing Rules / Gujarat Fire Prevention and Life Safety Measures Act, 2016.	Complied Please refer to A.1.1 Health & Safety condition no. 15 of EC Compliance for detailed information on NOC from Fire department.																								
30.	Firefighting facilities like Provision of ABC and DCP type fire extinguishers Provision of first aid box, displaying of important telephone numbers etc., terrace water tanks of 40 KL capacity, underground water tank of 200 KL, etc. shall be provided.	Complied Adequate firefighting facilities, including Fire Hydrants and Fire Extinguishers, have been installed within the township premises. Additionally, two dedicated fire water tanks have been provided to ensure sufficient water availability during emergencies. Strict provisions are in place to guarantee that water stored in the Fire Water Tanks is exclusively used for firefighting purposes only and not diverted for any other application. Photographs of adequate firefighting system is attached as Annexure - 4.																								
31.	Staircase shall be provided: <table border="1"><thead><tr><th colspan="8">Details of Staircase (Residential)</th></tr><tr><th>Type & no.</th><th>No. of floors</th><th>Area for each floor (m2)</th><th>No. of staircase (m)</th><th>Width of the staircase (m)</th><th>Total Nos. of lifts</th><th>No. of fire lifts</th><th>Travel Distance (m)</th></tr></thead><tbody><tr><td>Block 1A-1M (1 BHK)</td><td>G + 3</td><td>61.25 (T.F.) - 244.52 (G.F. to S.F.)</td><td>1</td><td>1.25</td><td>--</td><td>--</td><td>15.4</td></tr></tbody></table>	Details of Staircase (Residential)								Type & no. 32.	All the staircases shall open out at ground level from the highest point of building [with access from each floor] for emergency evacuation.								Complied Construction of township buildings was done with considering the safety norms of building construction regulations.	
33.	Provision for adequate air changes per hour in the basement shall be made so as to avoid the build-up of CO in the area.								Not applicable There is no provision for basement areas in any of the buildings within the township premises	
34.	Car park exhaust system equipped with CO (Carbon monoxide) sensor shall be provided to ensure operation of exhaust fans as CO concentration levels.								Not applicable There is no provision for basement areas in any of the buildings within the township premises.	
35.	Clear peripheral margin space of adequate width, in accordance with the concerned local bye-laws, shall be provided for unobstructed & easy movement of vehicles in case of emergency.								Complied All internal roads have been constructed with pucca flooring/RCC paving and are of adequate width, incorporating separate entry and exit provisions for smooth traffic flow. Trained security personnel are deployed round the clock to assist with entry, exit, and parking management.	

	Adani Ports and SEZ Ltd., Mundra (SVCT Township)	From : Oct'25 To : Mar'26
Status of the Conditions Stipulated in Environmental Clearance		

Sr. No.	Conditions	Compliance Status as on 31-03-2026
36.	Sanitation facilities, drinking water & tap water, sewage disposal facility, first aid box, free medicines, doctor service, adequate PPEs etc. shall be provided for workers.	Complied Sanitation facilities, drinking water & tap water, sewage disposal facility, first aid box, free medicines, doctor service, adequate PPEs etc. are provided to engage workers. Please refer to Specific Condition no. 2 of EC compliance report for sewage disposal facility.
A2.5 PARKING / TRAFIC CONGESTION:		
37.	Minimum parking space of 33,272 m ² (1384 CPS) [8,062 m ² in Hollow Plinth + 25,210 m ² in open area] shall be provided as proposed.	Complied As per proposed car parking area has contracted at in front of each block. Photographs of Car Parking is attached as Annexure - 6.
38.	Project proponent shall provide the height of Basement greater than 4.5 mts in order to accommodate futuristic parking, demand through mechanical Parking.	Not applicable There is no provision for basement areas in any of the buildings within the township premises.
A2.6 ENERGY CONSERVATION:		
39.	Energy conservation measures viz. maximum use of natural lighting through architectural design, energy efficient motors & pumps, water efficient taps, solar lights in open & solar streetlight, 1190 KW solar power generation, use of aerated blocks & RIVIC, use of LED lighting fixtures and low voltage lighting, rooftop thermal insulation etc. shall be implemented as proposed.	Point noted and Agreed The roof top solar generating plant will be installed as green energy source and energy efficient instruments/ equipment will be provided for energy conservation aspects.
A2.7 GREEN BELT:		
40.	Green belt area of 60,000 m ² comprising of 20,000 m ² tree covered area with 5000 trees within premises shall be developed as proposed. The other open spaces inside the plot shall be suitably landscaped and covered with vegetation of indigenous tree species	Being Complied Greenbelt development work is ongoing in phase wise. SVCT, Siracha colony will be developed 4.0 ha area as green belt in township premises. The open spaces within the social infrastructure project are suitably landscaped and developed with green lawns and vegetation. Presently, approximately 3.44 hectares of the area has been developed as green belt/lawn/landscaping, comprising more than 150,000 trees and shrubs. Some latest photographs of green belt area are attached as Annexure - 2.
41.	Green belt to be developed shall include all trees with height not less than 7ft	Being complied

	Adani Ports and SEZ Ltd., Mundra (SVCT Township)	From : Oct'25 To : Mar'26
Status of the Conditions Stipulated in Environmental Clearance		

Sr. No.	Conditions	Compliance Status as on 31-03-2026
		The green belt area is developed with tall saplings and trees to ensure faster growth and effective coverage. Development is being carried out in a phased manner across the entire township. Photographs showing the progress of green belt development are attached as Annexure – 2. Please refer to point no. 40 for detailed greenbelt development information.
PART B - GENERAL CONDITIONS:		
B.1 PRE - CONSTRUCTION AND CONSTRUCTION PHASE:		
42.	Mitigation of flood measures shall be undertaken. The height of the plinth and ramps will be increased so that flood water does not enter the basement.	Complied Construction was carried out strictly in accordance with approved design specifications. Historical flood data was thoroughly analyzed and integrated into the design to enhance resilience against similar events. All activities adhered to applicable environmental and safety standards, ensuring sustainable and safe execution. There is no provision for basement areas in any of the buildings within the township premises.
43.	Project proponent shall explore possibilities to reuse the treated wastewater for gardening and floor washing.	Complied Presently, the construction phase of the project has been fully completed, and the township is in full-fledged operational condition. For detailed information please refer to point no. 2 of Specific Condition EC Compliance.
44.	Roads leading to or at construction site must be paved and blacktopped (i.e. - metallic roads)	Complied All internal roads within the premises have been constructed with pucca flooring/RCC paving and are of adequate width to facilitate smooth vehicular movement. Regular housekeeping practices are implemented across all internal roads to prevent accumulation of dust and minimize fugitive emissions. Photographs of internal roads were submitted during the compliance report submission for the period Apr'25 to Sep'25.
45.	No excavation of soil shall be carried out without adequate dust mitigation measures in place.	Complied During the construction phase, excavation activities were carried out with appropriate fugitive dust control measures. Exposed soil areas were covered with green curtains, and regular water sprinkling was implemented

	Adani Ports and SEZ Ltd., Mundra (SVCT Township)	From : Oct'25 To : Mar'26
Status of the Conditions Stipulated in Environmental Clearance		

Sr. No.	Conditions	Compliance Status as on 31-03-2026
		to minimize dust emissions. Additionally, the excavated soil has been utilized for green belt development, supporting sustainable environmental management.
46.	Grinding and cutting of building materials in open areas shall be prohibited.	Point noted and Agreed
47.	Construction material and waste should be stored only within earmarked areas and roadside storage of construction material and waste shall be prohibited.	Complied Construction materials generated during the project have been stored in a designated area (to prevent scattering and contamination). These materials have been disposed of through an authorized recycler or in an environmentally sound manner,
48.	Construction and demolition waste processing and disposal site shall be identified and required dust mitigation measures be notified at the site.	Complied An area was allocated for storing waste generated from construction activities, which was subsequently disposed of in an environmentally sound manner. Additionally, regular water sprinkling was carried out to minimize dust emissions.
49.	Various dust mitigation measure shall be displayed prominently at the construction site for easy public viewing.	Complied
50.	Environment Management Cell shall be formed, which shall supervise and monitor the environment related aspects of the project during construction and operational phases in addition to observance of Gujarat Building and other Construction Workers '(Regulation of Employment & Conditions of Service) Rules 2003	Complied For further details regarding Environment Management Cell Organogram, please refer specific condition no 8 of the EC Compliance Report.
51.	Prior permission from the competent authority shall be obtained for cutting of the existing trees before site preparation work is commenced.	Complied "Necessary permissions from the competent authority shall be obtained prior to any tree felling, if required, as per applicable rules & regulations."
52.	Water demand during construction shall be reduced by use of curing agents, super plasticizers and other best construction practices	Complied An environmentally conscious construction practice, a curing agent has been used instead of continuous water curing to minimize freshwater consumption.
53.	Wind - breaker of appropriate height i.e. 1/3rd of the building height and maximum up to 10 meters shall be individual building within the project site shall also be provided with barricades.	Complied To mitigate dust emissions during the civil construction phase, various control measures were implemented, such as enclosing construction activities with green netting, regular water sprinkling, and proper housekeeping of the area.

	Adani Ports and SEZ Ltd., Mundra (SVCT Township)	From : Oct'25 To : Mar'26
Status of the Conditions Stipulated in Environmental Clearance		

Sr. No.	Conditions	Compliance Status as on 31-03-2026
54.	Regular water sprinkling shall be carried out in vulnerable areas for controlling dusting/fugitive emissions.	Complied. Please refer to point no. 53 General Condition (construction & Construction phase) EC Compliance.
55.	No uncovered vehicles carrying construction material and waste shall be permitted.	Complied Aggregates and construction raw materials were sourced from nearby locations and transported in vehicles covered with tarpaulin to prevent fugitive dust emissions.
56.	No loose soil or sand or construction & demolition waste or any other construction material that causes dust shall be left uncovered. Uniform piling and proper storage of sand to avoid fugitive emissions shall be ensured.	Complied Please refer to point no. 45 General Condition (construction & Construction phase) EC Compliance.
57.	Structural design of the project shall strictly adhere to the seismic zone norms for earthquake resistant structures.	Complied Since the project falls under Seismic Zone V, which is the highest risk category in India as per IS 1893 (Criteria for Earthquake Resistant Design of Structures), the approved design would have incorporated: • Earthquake-resistant structural design: Using ductile detailing as per IS 13920 for reinforced concrete structures. • Foundation considerations: Ensuring soil-structure interaction is accounted for. • Load combinations: Including seismic loads in addition to dead and live loads. • Material specifications: High-quality concrete and steel with proper reinforcement anchorage.
58.	The planning, designs and construction of all buildings shall be such as to ensure safety from fire.	Complied For detailed fire safety information please refer to point no. 30 of EC Compliance report.
59.	The project proponent shall ensure maximum employment given to the local people nearby site area.	Complied Employment During Construction Phase: Workers engaged in construction activities were primarily sourced from nearby areas. This helped generate local employment opportunities during the construction period. Employment During Operation Phase: Both direct and indirect employment opportunities are being created. Local workers from nearby villages are engaged in

Status of the Conditions Stipulated in Environmental Clearance		

Sr. No.	Conditions	Compliance Status as on 31-03-2026
		different activities work i.e. housekeeping, greenbelt development & maintenance, plumbing, carpentry, utility etc.
60.	All required sanitary and hygienic measures shall be provided before starting the construction activities and to be maintained throughout the construction phase.	Complied during the construction phase. Not applicable at present.
61.	Provision shall be made for housing of construction labor within the site with all necessary infrastructure and facilities such as fuel for cooking, mobile toilets, mobile STP, safe drinking water, medical healthcare, creches, electricity & ventilation, canteen, rest rooms, safe disposal system for garbage, first aid, medical and emergency facilities etc. to ensure that they do no ruin the existing environmental condition. The housing may be in the form of temporary structures to be removed after completion of the project	Complied during the construction phase. Not applicable at present. Presently, the construction phase of the project has been fully completed, and the township is in full-fledged operational condition.
62.	Adequate personal protective equipment's shall be provided to the construction workers to ensure their safety, and the project proponent shall ensure its usage by the labours.	Complied Adequate safety measures, including the use of appropriate personal protective equipment (PPE), were implemented throughout the construction activities to ensure compliance with safety standards.
63.	First Aid Box shall be made readily available in adequate quantity at all the times.	Complied First aid box is readily available at office building and OHC Center as per requirement.
64.	Training shall be given to all workers on construction safety aspects.	Complied Safety induction training awareness programmes with construction aspect were conducted to new joined workers. In addition, daily Toolbox Talk were conducted for all workers before stating of construction work.
65.	The project proponent shall strictly comply with the building and other Construction Workers' (Regulation of Employment & Conditions of Service) Act 1996 and Gujarat rules made there under and their subsequent amendments.	Point noted and complied
66.	The overall noise level in and around the project area shall be kept well within the prescribed standards by providing noise control measures including acoustic insulation, hoods, silencers, enclosures	Complied Presently, the construction phase of the project has been fully completed, and the township is in full-fledged operational condition.

	Adani Ports and SEZ Ltd., Mundra (SVCT Township)	From : Oct'25 To : Mar'26
Status of the Conditions Stipulated in Environmental Clearance

	vibration dampers etc. on all sources of noise generation.	DG Sets with Acoustic Enclosures: These enclosures significantly reduce the noise emitted by DG sets, ensuring compliance with environmental noise standards. Using them only during main power failure minimizes operational noise impact. Adequate Green Belt Development: Green belts along roads act as natural sound barriers, absorbing and deflecting noise, while also improving air quality and aesthetics. This is a recognized best practice for reducing ambient noise pollution in industrial and port areas. Noise monitoring for day & night basis is being carried (once in a month) by NABL and MoEF&CC accredited agency namely M/s. Unistar Environment and Research Labs Pvt. Ltd., Vapi and Approx. INR 21.38 Lakh is spent for all environmental monitoring activities during FY 2025-26 for overall APSEZ, Mundra. Noise sampling locations & frequency: 03 nos. <table><tr><th>Noise</th><th>Unit</th><th>Leq Min</th><th>Leq Max</th><th>Leq Ave.</th><th>Leq Perm. 67.	Ambient Noise levels shall conform to Residential standards both during day and night. incremental pollution load on the ambient air and noise quality shall be closely monitored during construction phase	Complied For noise monitoring details, please refer condition no. 66 of EC compliance report for further details.																		
68.	The noise generating equipments, machinery and vehicles shall not be operated during the night hours and shall be maintained properly to avoid generation of high noise due to wear and tear.	Complied No construction activity was carried out during night time to avoid noise generation & noise control measures like proper timely maintenance, acoustic enclosure at DG set, etc. were implemented.																		
69.	Use of diesel generator sets during construction phase shall be strictly with acoustic enclosure and shall conform to the EPA Rules for air and noise emission standards.	Complied during the construction phase. Not applicable at present. For noise monitoring details, please refer condition no. 66 of EC compliance report for further details.

Status of the Conditions Stipulated in Environmental Clearance		

Sr. No.	Conditions	Compliance Status as on 31-03-2026
70.	Safe disposal of wastewater and municipal solid wastes generated during the construction phase shall be ensured.	Complied during the construction phase. Not applicable at present. During construction phase generated sewage waste was treated in soak pit/septic tank. Presently, the construction phase of the project has been fully completed, and the township is in full-fledged operational condition.
71.	All topsoil excavated during construction activity shall be used in horticultural / landscape development within the project site.	Point noted and complied Excavated topsoil was preserved and utilized for horticulture and landscaping activities. Greenbelt development work.
72.	Construction materials and debris shall be properly stored and handled to avoid negative impacts such as air pollution and public nuisances by blocking the roads and public passages.	Point noted and complied This reply cover condition no 72 & 73
73.	Construction debris shall be reused in construction of roads, levelling the site etc. Waste packaging material (like used cement bags, wastepaper, cardboard packing material), metal scraps etc. shall be sold to recyclers or shall be sent to the nearest municipal solid waste landfill site.	C&D waste was stored in an enclosed shed and utilized for road construction and site levelling or disposed of through an authorized recycler, in compliance with the C&D Waste Management Rules, 2016.
74.	Excavated earth to be generated during the construction phase shall be utilized within the premises to the maximum extent possible and balance quantity of excavated earth shall be disposed off with the approval of the competent authority after taking the necessary precautions for general safety and health aspects. Disposal of the excavated earth during construction phase shall not create adverse effect on neighboring communities.	Point noted and complied Please refer to condition no. 71 of EC Compliance Report.
75.	Provisions of Construction & Demolition Waste management Rules-2016 shall be strictly adhered to.	Point noted and Complied Please refer to condition no 72 & 73 of EC clearance
76.	Vehicles hired for bringing construction material at the site shall be in good conditions and conform to applicable air and noise emission standards and shall be operated only during day time and non-peak hours.	Point noted and Complied All vehicles hired for handling construction materials complied with Bharat Stage VI emission norms, were less than five years old, and underwent regular preventive maintenance to avoid breakdowns and minimize air and noise emissions. Additionally, these vehicles were

		operated only during daytime hours.
77.	Project proponent shall ensure use of eco-friendly building materials including fly ash bricks, fly ash paver blocks, ready mix Concrete [RMC] and lead-free paints in the project.	Point noted and Complied Presently, the construction phase of the project has been fully completed, and the township is in full-fledged operational condition. Eco-friendly building material were used in the project construction.
78.	Fly ash shall be used in construction, wherever applicable as per provisions of Fly Ash Notification under the EP Act, 1980 and its subsequent amendments from time to time	Not Applicable
79.	Use of glass shall be minimal and only low emissive glass shall be used in the project to reduce the electricity consumption and load on air conditioning	Complied Minimal glass has been used in air conditioning areas to reduce electricity consumption and load on air-conditioning.
B2. OPERATION PHASE AND LIFETIME:		
80.	In case, if it comes to notice to SEAC/SEIAA, that PP has violated EC norms by starting construction before obtaining Environmental Clearance, necessary action shall be taken as per the provisions of OM of MoEF& CC, - New Delhi dated 7.1.2021	Point noted and Agreed
81.	Project Proponent shall submit CER plan each year wise to respective Collectors, DDO and Municipal commissioner/Urban Development Authority and implement of CER activities under intimation and guidance of the respective authorities.	Point noted and being complied CER is not applicable to this project. However, CER has been committed for this project, and the same will be implemented during the upcoming compliance period. Other than this, APSEZ CSR team is actively working with local community around the project area and provides required support for their livelihood and other concerns through the CSR arm – Adani Foundation. Adani Foundation (AF) is the CSR arm of the Adani Group actively working for upliftment of the communities in the surroundings of various project sites of Adani Group. AF has prepared a specific action plan to protect livelihood of fishermen at Mundra. APSEZ is actively working with local community around the project area and provides required support for their livelihood and other concerns through the CSR arm – Adani Foundation. Adani Foundation is working in main five persuasions as below.

		Approx. INR 958.78 lakh has been spent during FY 2025-26.																		
82.	PP shall take all required mitigation measures to comply with ambient noise levels standards of the residential area during day and night time as per Noise Pollution (Control and Regulation) Rules, 2000.	Complied For operation phase, following noise control measures are taken: • DG Sets with Acoustic Enclosures: These enclosures significantly reduce the noise emitted by DG sets, ensuring compliance with environmental noise standards. Using them only during main power failure minimizes operational noise impact. • Adequate Green Belt Development: Green belts along roads act as natural sound barriers, absorbing and deflecting noise, while also improving air quality and aesthetics. This is a recognized best practice for reducing ambient noise pollution in industrial and port areas. • Proper maintenance of equipment's / plant machineries is being done on regular basis. • Traffic control measures such as signage, speed regulation, traffic guides etc. are in place to reduce the unnecessary honking by cargo vehicles. Noise monitoring for day & night basis is being carried (once in a month) by NABL and MoEF&CC accredited agency namely M/s. Unistar Environment and Research Labs Pvt. Ltd., Vapi and Approx. INR 21.38 Lakh has been incurred for all environmental monitoring activities during FY 2025-26 for overall APSEZ, Mundra. Status of the Conditions Stipulated in Environmental Clearance		

Sr. No.	Conditions	Compliance Status as on 31-03-2026
85.	Concerned Municipal Corporations/ Urban Development authority shall ensure the compliance of conditions given in the EC order	Point noted and Agreed
86.	Project proponent shall provide suitable storm water drainage facilities to avoid water logging.	Complied The project site is equipped with storm water drainage systems designed to manage runoff during the monsoon season. The region experiences scanty rainfall, and there are no perennial rivers; hence, continuous water flow does not occur even during monsoon. Consequently, the storm water drainage system has been planned to ensure efficient discharge of runoff, directing it toward the downstream water area without causing waterlogging or environmental impact.
87.	This EC order should not be used as supportive evidence in regard of legal evidence in case of any disputes. This is only given for the purpose of Environmental Compliances and mitigation of various environmental impact.	Point noted and Agreed
88.	PP shall sponsor tree plantation of community / institution land with proper maintenance and provisions of fencing and watering in consultation with Deputy Conservator of Forest of concerned District as per the clarification given in para 3 of OM of MoEF& CC, GOI dated 25.02.2021. The expenditure of above supporting activities will be within the total outlay of CER committed by PP.	Point noted and will be complied
89.	Project proponent or the maintenance society to whom the project has been handed over shall ensure allocation of parking to each and every member of the society as per the rules as soon as possible not later than 3 months and display the same in the society notice board	Point noted and Agreed
90.	PP shall also comply EC conditions and inform to the local authorities like Municipal Corporation, UDA, RERA/ SEIAA and also ensure proper parking without fail. Basement parking should always maintain clean, free from hanging electric wires and provide adequate light and ventilation.	Point noted and Agreed There is no provision for basement areas in any of the buildings within the township premises.
91.	Proponent shall maintain traffic system within the premises to avoid congestion and unsafe parking in the premises, particularly	Being Complied. In operation phase, following control measures are taken

Sr. No.	Conditions	Compliance Status as on 31-03-2026
	safety parameters including fire, safety, installation of fire equipments, house pipes etc. for regular maintenance check-up and hold mock drills from time-to-time. Any damage to the greenbelt area must be avoided.	for traffic and fire safety: Traffic Management: • Separate entry / exit for the township • Install directional signages, speed limits, and designated parking zones. • Separate pedestrian walkways from vehicle routes to minimize accidents. • Use CCTV or periodic patrols to ensure compliance with traffic rules. • Internal roads are paved with pakka flooring/RCC concrete with separate entry and exit way, which helps in smooth traffic flow and safety. • Trained security guards are deputed round the clock to guide/help for entry, exit and parking. Fire Safety Management: • Adequate Fire Hydrant System & Fire Extinguishers are provided in township premises. • Schedule monthly checks for fire extinguishers, hydrants, hoses, and alarms. • Ensure all equipment meets NFPA or local fire safety standards. • Educate staff on using fire extinguishers and emergency response.
92.	Project proponent shall comply with all provisions of GDCR and its amendment for constructing Building.	Point noted and Agreed
93.	The PP shall also ensure notarized undertaking from the maintenance society at the time of hand over to comply with all the conditions of EC scrupulously.	Point noted and Agreed
94.	As regards obtaining for fire safety permissions, proponent have to inform to SEIAA before obtaining BU permissions from competent authority.	Point noted and Complied Fire NOC is not required for building heights less than 15 meters as per National Building Code (NBC). Adequate Fire Hydrant System & Fire Extinguishers are provided on township premises.
95.	Proponent shall obtain Registration of the establishment under the building and other construction workers (regulation of employment & condition of service before commencement of construction and inform to SEIAA.	Point noted and Agreed
96.	Provision of fire lift may be provided; additional lift may be provided in high rise building for safety.	Point noted and Complied Please refer to condition no. 5 of EC compliance report.

	Adani Ports and SEZ Ltd., Mundra (SVCT Township)	From : Oct'25 To : Mar'26
Status of the Conditions Stipulated in Environmental Clearance		

Sr. No.	Conditions	Compliance Status as on 31-03-2026
97.	All vibrating parts will be checked periodically and serviced to reduce the noise generation and sound producing equipment. Further, Regular maintenance of leakages of water and wastewater shall be carried out.	Point noted and Agreed All vibrating parts of equipment will be inspected periodically and serviced to minimize noise generation. Sound-producing equipment will be maintained regularly to ensure compliance with permissible noise levels. As well as regular maintenance and prompt repair of any leakages in water and wastewater systems will be carried out to prevent wastage and contamination.
98.	The competent authority like Municipal Corporation / Urban development authority / District collector / RERA or any other authority or officer authorized by MoEF & CC can inspect the site, all facilities, for verification of compliances of Environmental Clearances conditions and ensure its compliance before issuance of any permission given by competent authority.	Point noted and Agreed
99.	Construction activities will be allowed only during daytime period.	Complied Presently, the construction phase of the project has been fully completed, and the township is in full-fledged operational condition.
100.	If height of the building/block from the ground level is above 12.65 meters, then PP shall provide lift in building/block as per GDCR Rules.	Complied Presently, the construction phase of the project has been fully completed, and the township is in full-fledged operational condition. Lift has been provided in shopping complex and community center only.
101.	PP shall provide one regular lift and one fire lift, if floor area of the block/building exceeds 497.61 sq mtrs.	Point noted and Agreed Lift has been provided in shopping complex and community center only.
102.	Project proponent shall provide and operate necessary recycling facilities for reuse of treated domestic wastewater within premises	Point noted and Complied Please refer to conditions no. 2 & 20 of EC compliance report.
103.	Project proponent shall obtain all NA permission for all survey Nos before installation and commissioning of activities.	Point noted and Complied Before the commencement of construction activity for the township, APSEZ had already obtained NA permission from the competent authority for Survey No. 9/1 (Plots No. 1 to 294), 6/1 (Plots No. 1 to 464 and 477 to 694), and 21/2 (Plots No. 1 to 50 and 62 to 94) at Village: Shiracha, Taluka: Mundra, District: Kutch.

152.	Requisite firefighting facilities as per the requirement of NBC and Gujarat Fire Prevention and Life Safety Measures Act 2013 along with the rules & regulations made there under shall be provided.	Point noted and Agreed
153.	Underground fire water storage tanks and terrace water storage tanks as well as storage of treated domestic wastewater of adequate capacity shall be provided as proposed. Adequate provision shall be made to ensure that water from the Fire Water Tank shall not be used for any other purpose.	Point noted and Complied For fire safety provision please refer to condition no. 30 of EC compliance report For domestic wastewater treated & disposal please refer to condition no. 30 of EC compliance report
154.	Dedicated power back up system shall be provided in the case of power failure & emergency of fire water pumps.	Point noted and Agreed Please refer to condition no. 25 of EC compliance report
155.	First Aid Box shall be made readily available in adequate quantity at all the times.	Point noted and Complied For first aid situations, First Aid boxes are available in common areas such as the community center, customer care, and shopping complex. Additionally, a dedicated First Aid Centre is provided within the Township premises. For medical emergencies, a Multispecialty Hospital, which is part of the project infrastructure, can also be utilized.
156.	Main entry and exit shall be separate and clearly marked in the facility	Point noted and Agreed
157.	Necessary emergency lighting system along with emergency power back up system shall be provided. Further, necessary auto glow signage at all appropriate places shall be provided to guide the people towards exits and assembly points during emergency.	Point noted and Agreed Auto-glow signage are installed at adequate locations within the township premises to guide people toward exits. Additionally, the township is under continuous security guard surveillance to address any unforeseen emergency conditions.
158.	Sufficient peripheral open passage shall be kept in the margin area for free movement of fire tender/ emergency vehicle around the premises.	Point noted and Agreed
159.	The overall noise level in and around the project area shall be kept well within the prescribed standards by providing noise control measures including acoustic insulation, hoods, silencers, enclosures vibrations dampers etc. on all sources of noise generation including D.G. Sets. The ambient noise levels shall confirm to the standards prescribed under the environment (Protection) Act and Rules.	Complied Please refer to condition no. 25 of EC compliance report

The project authorities shall inform the GPCB, Regional Office of MoEF & CC and SEIAA about the date of financial closure and final approval of the project by the concerned authorities and the date of start of the project.	Point noted and Agreed APSEZ (SVCT, Siracha Colony) granted the Consent to Operate (CTO) permission from the Gujarat Pollution Control Board (GPCB) vide Order no. AWH-148320 Issued dated 10.09.2025 and valid upto 06.8.2030. The copy of the same was submitted along with HYCR for the period Apr'25 to Sep'25. At present, the construction phase of the SVCT, Siracha Residential Colony has been fully completed. Accordingly, APSEZ has submitted an application for amendment of Consent to Consolidate & Authorization (CC&A) for full-fledged operation of the residential colony on 28.04.2026. Subsequently, APSEZ has been granted the amended CC&A vide Order No. AWH-98796 dated 19.05.2026 from the Gujarat Pollution Control Board (GPCB). The Copy of the same is attached as Annexure – A.												
187.	The SEIAA may revoke or suspend the clearance, if implementation of any of the above conditions is not found satisfactory. This environmental clearance is valid for Seven years from the date of issue.	Point noted and Agreed												
188.	Submission of any false or misleading information or data which is material to screening or scoping or appraisal or decision	Point noted and Agreed												

	Adani Ports and SEZ Ltd., Mundra (SVCT Township)	From : Oct'25 To : Mar'26
Status of the Conditions Stipulated in Environmental Clearance		

Sr. No.	Conditions	Compliance Status as on 31-03-2026
	on the application makes this environment clearance cancelled.	
B4. COMPLIANCE OF ENVIRONMENT CLEARANCE/REPORTING/ADMINISTRATION/APPEAL:		
189.	Project proponent shall inform to all the concerned authorities including Municipal Corporation, District collector, UDA & RERA and shall also give wide publicity through advertisement in minimum two local newspapers within seven days, about the environment clearance order accorded.	Point noted and Complied The copy of Environmental Clearance letter has been submitted to the respective concerned authorities the District Collector Office, Bhuj; GPCB Regional Office, Gandhidham & HO, Gandhinagar; RERA, Gandhinagar; Sub District Magistrate office, Mundra; Mamlatdar Office, Mundra; and Taluka Vikas Adhikari office, Mundra with the request for display at least for 30 days. The acknowledgements were submitted along with HYCR for the period Apr'24 to Sep'24). A copy of the clearance letter is uploaded on APSEZ web site https://www.adaniports.com/ports-downloads. The original copy of the Environmental clearance was obtained on 05.06.2024 and advertisement (containing informing that the Environment clearance is accorded to the proposed project and a copy of clearance letter is available with the SPCB and may also be seen at the website of SEIAA) was given in local Newspaper Sandesh & Kutch Uday in Gujarati (local) language; and in The Indian Express (English) newspaper dated 11.06.2024. Copy of the newspapers were submitted along with HYCR for the period Apr'24 to Sep'24).
190.	Project proponent shall appoint a key person in the organization who shall be responsible for compliance of above condition fully on behalf of the proponent. It will not mean that appointing a key person will exempt the project proponent from the responsibility of compliance. Any change in key person shall immediately be informed to SEIAA and all concerned authorities	Point noted & Agreed
191.	Designated key person shall submit six monthly compliance report to SEIAA/SEAC, MOEF&CC, GPCB and Nodal Department of the Government.	Point noted and Complied Please refer to condition no. 185 of EC Compliance. Compliance Report for the same is uploaded on APSEZ web site https://www.adaniports.com/ports-downloads.
192.	In case of violation reported upon, the project proponent shall be responsible for all the legal actions as per Environment Protection Act, 1986 including SEIM may	Point noted and Agreed

CONSOLIDATED CONSENT AND AUTHORIZATION (CC&A)

CCA NO: AWH-98796 Appl. Type: CCA-Amendment

NO:GPCB/KUT/CCA-/ID-110482/

In exercise of the power conferred under Section-25 of the Water (Prevention and Control of Pollution) Act-1974, under Section-21 of the Air (Prevention and Control of Pollution) Act-1981 and Authorization under rule 6(2) of the Hazardous & Other Wastes (Management and Transboundary Movement) Rules-2016, framed under the Environment (Protection) Act-1986.

And whereas Board has received consolidated application dated 09/05/2026 and inward No. 461954 for Amendment of Consolidated Consent and Authorization (CC&A) of this Board under the provisions/rules of the aforesaid Acts, Consolidated Consent & Authorization is hereby granted as under.

CONSOLIDATED CONSENT AND AUTHORIZATION:

(Under the provisions/rules of the aforesaid Environmental Acts)

To,

M/s. Adani Ports and SEZ Limited,

Survey No.: 9/1, (Plot No.: 1 to 294), 6/1 (Plot No.: 1 to 464, 477 to 694)

and 21/2 (Plot No.: 1 to 50, 62 to 94), Vill.: Shiracha,

Tal: Mundra, Dist: Kutch East, Pin.: 382 470.

1. Consent Order No.: AWH-98796, date of issue 19/05/2026.
2. The consent under Water Act-1974, Air Act-1981 & Authorization under Environment (Protection) Act, 1986 shall be valid up to 06/08/2030 for the use of outlet for the discharge of treated effluent and emission due to operation of 44 Numbers of Buildings. No. of Blocks: 134.5. Scope of buildings/blocks are: Block 1A-1M, Block 1.5A- 1.5I, Block 2A-2M: Ground Floor + 3 Floor, Block 0A-0D: Ground Floor + 2 Floor, Block AA, Block CC, Block DD, Block EE: Ground Floor + 1 Floor, Block BB: Ground Floor + Mezz. + 1 Floor and No. & Size of Residential Units are 1 BHK – 588, 1.5 BHK – 336, 2 BHK – 492, Hotel – 276 and No. & size of Commercial Units are: 04 related amenities.

SPECIFIC CONDITION:

- a. The unit shall follow "Restaurants/Hotels/Motels/Banquets Guideline" frame by CPCB.
- b. Industry shall strictly adhere to all the Conditions mention in EC issued by State Authority vide File No. SEIAA/GUJ/EC/8(a)/820/2024 Dated 31/05/2024.
- c. No ground water shall be used for the project coming under dark zone without permission of competent authority.
- d. The unit shall comply with fresh water from valid source having permission of the competent authority.
- e. The unit shall not carry out any activity which may attract the applicability of EIA notification-2006.
- f. The unit dispose of kitchen waste as per Solid Waste Management Rules-2016 & its amendment.

- g. As per provision of Rule-18 of Solid Waste Management Rules-2016 all industrial units using fuel and located within 100 km from the Refused Derived Fuel (RDF) plant shall made an arrangement to replace at least five percent of their fuel requirement by refused derived fuel so produced.
- h. Unit shall comply with the Board circular dated 27/08/2021 regarding retrofitting of emission control devices/equipment in D.G. Set with a capacity of 125 KVA and above as per system & procedure for emission compliance testing of Retrofit Emission Control Device (RECD) for D.G. Set issued by CPCB dated 01/02/2022 at the earliest and submit compliance.

3. CONDITION UNDER THE WATER ACT:

- 3.1 The quantity of total water consumption shall not exceed **1192.5 KL/Day** as per below break up as mentioned in form D submitted for consent application under the Water Act- 1974.
 - a) Industrial: **00 KL/Day**
 - b) Domestic: **1192.5 KL/Day (Fresh: 578 KLD + Reuse: 614.5 KLD)**
- 3.2 Source of water: **Desalination plant of APSEZ Ltd.**
- 3.3 The quantity of total waste water generation shall not exceed **714 KL/Day** as per below break up as mentioned in form D submitted for consent application under the Water Act- 1974.
 - a) Industrial: **00 KL/Day**
 - b) Domestic: **714 KL/Day**
- 3.4 Industrial effluent management:
 - a) Mode of disposal of treated industrial effluent: --
 - b) Description for treated industrial effluent disposal: **There shall be no water consumption as well as industrial effluent generation/discharge from the manufacturing process & other ancillary industrial operation.**
- 3.5 Domestic sewage management:
 - a) Mode of disposal of treated domestic sewage: **Partially used for flushing (314.5 KLD) & remaining (300 KLD) shall be discharge on land for gardening and plantation purpose within the plant premises.**
 - b) Description for treated domestic sewage disposal: **Generated domestic sewage shall be treated in Sewage Treatment Plant (Cap. 800 KLD).**
 - c) Industry shall operate Sewage Treatment Plant (STP) adequately so treated domestic effluent shall comply with following standard.

PARAMETERS	PRESCRIBED LIMITS
pH	6.5-9.0
Biochemical Oxygen Demand (BOD)	30 mg/L
Total Suspended Solids (TSS)	<100 mg/L
Fecal Coliform	<1000 MPN/100 ml

- 3.6 The domestic effluent confirming to above standards shall be partially used for flushing (314.5 KLD) & remaining (300 KLD) shall be discharge on land for gardening and plantation purpose within the plant premises. In no case effluent shall be discharged outside the plant premises.
- 3.7 Industry shall provide fixed pipeline network with flow meter for even distribution of treated industrial and domestic effluent and maintain its record.
- 3.8 Industry shall affix of water meters for the purpose of measuring and recording the quantity of water consumed at such places as may be required and it shall be presumed that the quantity indicated by the meter has been consumed by the industry until the contrary is proved.
- 3.9 The Board reserves the right to review and/or revoke the consent and / or make modifications in the conditions which it seems fit in accordance with provisions of Water Act-1974.

- **The Other term & condition of vide consent order no. AWH-148320 date of issue 10/09/2025, Valid upto 06/08/2030 and Outward no.: 875433, Dated 24/09/2025 shall remain unchanged.**

Leadership Message: Driving Community Growth

From Commitment to Collective Growth

Dear Stakeholders,

At the Adani Foundation, we firmly believe that true and enduring progress is rooted in empowered, self-reliant communities. Our CSR initiatives this year have been directed toward holistic village development, with a strong emphasis on enhancing access to essential services, strengthening livelihoods, and fostering sustainable self-sufficiency through deep and meaningful partnerships with local stakeholders and communities.

Central to our efforts has been a continued priority on **water conservation** and the promotion of sustainable resource management practices, ensuring long-term environmental resilience alongside community well-being. Complementing this, our youth development programs have focused on skill enhancement, confidence-building, and equipping young individuals with the capabilities needed to access improved opportunities and make positive contributions to society.

A highlight of the year was the organization of a spiritually enriching **Bhagwat Katha**, which reached and benefited over 1,00,000 participants. This initiative not only created an uplifting environment but also reinforced shared cultural and ethical values, further strengthening the bond between the Foundation and the communities we serve.

These endeavors reflect our unwavering dedication to inclusive growth that unites people, uplifts lives, and creates lasting, transformative impact. Guided by the ethos of sustainable development and nation-building, we remain committed to collaborating closely with communities to build a more equitable and prosperous future.

With deep gratitude for the trust placed in us and renewed resolve to drive meaningful change,

Rakshit Shah

EMPOWERING FUTURES THROUGH HOLISTIC EDUCATION

Adani Vidya Mandir, Bhadreshwar (AVMB), is a reputed Gujarati Medium school affiliated with GSEB and managed by the Adani Foundation. The institution is committed to offering cost-free, quality education to children from underprivileged families, empowering them to realize their potential and build a dignified future.

The school provides education from Sr. KG to Class X and currently serves 685 learners. With 18 well-equipped classrooms limited to 40 students each, AVMB ensures focused learning and strong student-teacher engagement. The academic team comprises 27 qualified teachers and one professional librarian who collectively support a robust and enriching learning environment.

Institutional Day Celebrations

International Yoga Day

Students and staff participated in a yoga session highlighting focus, discipline, and a healthy lifestyle.

National Mathematics Day

Celebrated as "Mathfinity," students participated in logic puzzles, geometric art, and math games honoring Srinivasa Ramanujan.

Matru-Pitru Pujan Diwas

The event celebrated the parent-child bond, with students performing traditional rituals to honor their parents.

National Sports Day

The school conducted athletic and traditional games to foster stamina, teamwork, and healthy competition.

Hindi Diwas & Week

"Hindi Week" included recitations, essays, and debates to enhance linguistic skills and cultural pride.

Teachers' Day

Students hosted a Teachers' Day program with a National Virtual Meeting to honor educators' dedication.

World Nature Conservation Day

Students participated in activities promoting natural resource conservation and sustainable living.

Independence Day

The flag-hoisting ceremony highlighted patriotic spirit through student performances celebrating India's freedom.

International Mother Language Day

Students participated in multilingual activities emphasizing linguistic diversity and the importance of the mother tongue.

AVMB: A Year of Outstanding Achievements

100%
Result
in SSC

India School Merit Awards (Dec 15, 2025)

AVMB was officially recognized as the "No. 1 School in Kutch" by Education Today..

Khel Mahakumbh District Honors (Dec 03, 2025)

Vivan Hethwadiya secured 1st at the Taluka level and 2nd at the District level in the 50m race and Broad Jump.

National Level Arts Achievement (Aug 2025)

The school's choir group won 1st Place in the Sanskrit Division at the 'Bharat Ko Jaano' regional competition.

National Shiksha Award 2025

AVMB received this award for its innovative teaching approach and contribution to social upliftment.

SSCE Excellence (2024-25)

The school achieved 100% results in Class X, with two students scoring above 90%, reflecting strong academic monitoring and support.

State-Level Athletics Success (Jan 12, 2026)

Vivaan Vala Hethwadiya (Class V) secured 7th place in the Under-11 State-Level 60m race, proudly representing the district.

Institutional Media Visibility (June 2025)

The school received 19 media coverages (6 online, 13 offline) in a month, highlighting strong community engagement.

Literary Publication (Oct 18, 2025)

Laksharajsinh Jadeja's (Class VIII) piece 'Friendship with a Diya' was featured in Kutch Mitra Junior, highlighting students' growing literary skills.

SSC Examination Centre Status

AVMB has been designated as an SSC Board Examination Centre, recognizing its strong infrastructure, integrity, and organizational capability

Empowering Minds & Building Futures at AVMB

Holistic Training Framework for Educators

- **NABET Accreditation** : AVMB is the region's only State Board school with NABET Accreditation, ensuring quality education.
- **Faculty Empowerment** : A two-day training with Jeevan Bharati, Surat, strengthened classroom management and TLM-based teaching.
- **ICT Training for Educators** : Teachers attended a workshop on Canva and Adobe AI tools to create digital lesson plans, posters, and videos.
- **STEM for Bharat** : Teachers joined a STEM session to enhance hands-on, 21st-century teaching.

Major Co-Curricular Activities

- **Regional Science Fair** : Students showcased Mangrove and Eco-brick projects at the Taluka and SVS Science Fair.
- **Parent-Teacher Meeting (PTM)** : The session encouraged parent-teacher interaction and featured a Live Abacus Demonstration.
- **Project Udaan Visit** : Students visited Mundra Port and the Power Plant for hands-on exposure to industrial operations.
- **Kala Utsav Celebrations** The event showcased students' creativity through storytelling, painting, and traditional crafts.
- **Sanskrit Gaurav Examination** : Students took the Sanskrit Gaurav Exam to enhance their Sanskrit proficiency.

Health, Safety & Awareness Initiatives

- **TD Vaccination**: A TD vaccination and medical screening drive was conducted for Classes V and X to ensure student health and safety.
- **Anti-drug Awareness session**: Students created "No Drugs" artworks to spread awareness about substance abuse and encourage healthy choices.
- **Health Awareness Seminar** : A parent session on student well-being covered nutrition, mental health and hygiene.
- **108 Emergency Training** : Students received hands-on CPR and first-aid training from the 108 Emergency Team.

Skill-Based & Cognitive Development Programs

- **Mental Mathematics & Abacus**: Specialized Abacus training provided to enhance speed, logical reasoning, and mathematical accuracy.
- **Activity-Based Learning (ABL)**: ABL uses subject-specific TLMs, from KG tools to senior science models, supporting experiential learning.
- **Digital Literacy Initiative**: Consistent ICT training has enabled the use of AI-based tools in teaching, strengthening readiness for a tech-driven future.

Udaan

About Project

Udaan is a special project inspired by the life-changing story of Mr. Gautam Adani. As a child, he had visited the Kandla port in Gujarat, and after looking at the expanse of the port, he dreamt of having his own port one day. The rest is history. Under this project, exposure tours are organized wherein school, college students, faculties, employees from corporates are given a chance to visit the Adani Group facilities. Under this project, services are absolutely-free of cost for government schools.

Vision

To create a pool of inspired young minds for nation building at a global scale.

Mission

To motivate young students to dream big by exposing them to world-class industrial facilities.

Environmental Sustainability

"Sustain the earth,
sustain life"

Adani Foundation's Commitment Towards A Greener Future

Through diverse environmental projects, the Adani Foundation continues to drive meaningful action toward a resilient and sustainable future.

Climate Action

In a time when environmental responsibility is essential, our commitment to protecting and strengthening the natural ecosystem is demonstrated through a wide range of focused initiatives. These efforts address pressing environmental concerns while aligning with the United Nations Sustainable Development Goals (SDGs), ensuring an integrated and long-term approach to sustainability.

Terrestrial Biodiversity Conservation:

Adani Foundation is committed to conserving terrestrial biodiversity through wide-ranging environmental initiatives. These efforts focus on increasing green cover, rejuvenating ecosystems, and encouraging active community participation in environmental responsibility.

Through large-scale afforestation drives and community-driven green programs, the Foundation has made a meaningful contribution to strengthening ecological balance and promoting long-term sustainability across multiple regions.

PROJECT UTTHAN :

A FLAGSHIP PROJECT BY ADANI FOUNDATION

The Adani Foundation launched Project Utthan in 2018–19 through an MoU with GoG to strengthen grassroots education. The initiative enhances learning outcomes with support from Utthan Sahayaks. It adopts government schools and tutors Priya Vidyarthi. English is introduced as a third language. Parents—especially mothers—are engaged to improve FLN skills.

- Adopted government primary schools to improve learning environments, reduce dropout ratio, and support progressive learners through targeted tutoring.
- Implemented academic and co-curricular activities, including introducing English as a Third Language and building staff capacity.
- Strengthened foundational literacy and numeracy by engaging teachers, educators, and mothers in the learning process.

Education | Project Utthan

Utthan is transforming government primary schools into vibrant learning hubs through modern teaching methods, improved infrastructure, and engaging co-curricular activities. By involving parents—especially mothers—it strengthens community participation and learning outcomes. Aligned with NEP 2020 and the SDGs, Utthan promotes inclusive, equitable, and quality education while fostering lifelong learning.

Community Health

"A healthy community is a strong community"

Community Health

Good health forms the foundation of a strong and progressive community. Through its health interventions, Adani Foundation works to improve access to quality healthcare in rural and remote areas, with a strong focus on reaching underserved populations in Kutch.

The Foundation adopts a comprehensive approach that integrates preventive, promotive, and curative care. Mobile medical services, rural clinics, and specialized health camps ensure timely medical attention, while health awareness initiatives encourage early diagnosis and healthy practices, with special emphasis on women, children, and eye care.

By partnering with Adani G.K. General Hospital in Bhuj and Adani Hospital in Mundra, medical professionals, and community institutions, the Adani Foundation continues to strengthen the local healthcare ecosystem. These sustained efforts support long-term well-being and contribute to healthier, more secure communities

Healthcare Interventions

Medical Equipment Support

The Adani Foundation supplied essential medical equipment to 7 PHCs and 42 Sub-Centers in Mundra Taluka (Average cumulative OPD is 45000 per month) , strengthening primary healthcare delivery in remote villages. This support enables timely diagnosis, improves treatment quality, and reduces the need for patients to travel for basic medical service.

A total of 1,093 beneficiaries were covered under the health screening program.

OPD and IPD Services at Adani Hospital

OPD : 42,825
IPD : 2,391
TOTAL : 45,216

Student Health Awareness Sessions

This year, health and hygiene awareness sessions were conducted across primary schools in Mundra Block to promote essential cleanliness habits and preventive care.

Total of 711 students and teachers participated in the awareness sessions. Additionally, 1,093 students underwent basic health screening to identify early health concerns and encourage timely follow-up. This initiative helped strengthen students' understanding of healthy habits and supported overall well-being across the schools.

Sustainable Livelihood Development

“Empowering hands,
transforming lives”

SLD- Women Empowerment

The Adani Foundation prioritizes women's empowerment through skill development, entrepreneurship, and self-reliance initiatives. By providing training, resources, and market linkages, it enhances livelihood opportunities for women.

In collaboration with government programs, it strengthens Self-Help Groups (SHGs) to promote savings and sustainable enterprises. The foundation also advances women's health and hygiene through focused awareness efforts, fostering economic independence, social inclusion, and overall well-being in its project areas.

"Self Help Group – A Mile Stone !

Over the past decade, Adani Foundation has been actively driving women empowerment in the Mundra region by promoting Self-Help Groups (SHGs) and enabling sustainable livelihood opportunities. The initiative focuses on transforming women from low-income backgrounds into confident, self-reliant entrepreneurs through structured training, financial inclusion, and continuous handholding support. The program has delivered strong, measurable impact. Currently, 15 high-performing SHGs are operating as successful micro-enterprises with a combined annual turnover exceeding ₹3.5 crore and total profits of over ₹1 crore, directly benefiting 150+ women. In addition, several other SHGs are in different stages of growth, steadily

progressing towards financial independence.

Adani Foundation's approach integrates capacity building and enterprise development, including training in financial literacy, digital skills, business management, and operational efficiency. Continuous mentorship ensures that women not only start businesses but also sustain and scale them effectively.

The impact is best reflected through key success stories:

- Shri Saheli SHG (Tunda Village): A group of 10 women, with limited formal education, successfully built a service enterprise and expanded operations by employing 30 additional women, achieving an annual turnover of ₹84 lakh.
- Shraddha Saheli SHG (Mota Kapaya Village): Starting with basic roti-making in 2017, this group evolved into a structured food business, reaching an annual turnover of ₹54 lakh, despite minimal educational background.
- Food Sisters SHG (Nanakpaya Village): Beginning in 2020 with a small food

setup, this group scaled into a thriving enterprise with an annual turnover of ₹44 lakh, where each member now earns ₹25,000–₹30,000 per month.

These examples highlight a clear transformation—from zero or minimal income to sustainable enterprises, and from low confidence to independent decision-making.

Overall, Adani Foundation has successfully created a replicable and scalable model of women-led economic empowerment.

The initiative demonstrates that with the right ecosystem of training, resources, and mentorship, women can achieve significant financial growth and become key contributors to their households and communities

522 Women Employed at Solar till date

Digital Literacy Training

- Adani Foundation, with the support of ICICI Bank, conducted digital literacy training to strengthen rural women's financial and digital awareness.
- Covered key topics such as savings, KYC, CIBIL score, ATM usage, fixed & recurring deposits, pension schemes, insurance types, Ponzi schemes, and protection from financial fraud.
- 16 villages covered through 19 awareness meetings, expanding outreach in rural communities.
- Enabled women to make informed financial decisions in the digital economy.

1,000+

Rural women trained

Fisherfolk Community

Fisherfolk Community

Education Kit Support

Providing essential study materials to 95 fisherfolk students this year in HSC and graduation helps reduce financial barriers and enables them to pursue their education with confidence.

Vehicle Transportation Facilities

Facilitated safe school transportation for 101 children this year from Luni, Shekadiya and Tragadi Bandar, ensuring regular attendance without barriers.

Planatation

Completed 10,000 mangrove plantations through gap filling and developed 15,000 nursery saplings this year at the Luni and Hamari Mora sites, strengthening coastal biodiversity, and supporting sustainable livelihoods for local communities

Scholarship Support

Scholarships worth ₹3,70,052 were provided to 31 students this year to support their higher secondary and technical education, helping create better future opportunities for them and their families.

SLD- Animal Husbandry

Declining rainfall and increasing groundwater salinity have posed significant challenges to traditional farming. In response, the Adani Foundation has taken proactive measures to strengthen agriculture and support livestock owners in nearby villages.]

PASHUDHAN INITATIVE : This initiative focuses on two key areas:

Preventive Healthcare

- Regular cattle health camps conducted across 7 villages in partnership with the Animal Husbandry Department.
- Veterinary check-ups, vaccinations, and treatment for common livestock diseases.
- Administration of life-saving vaccines for Foot-and-Mouth Disease (FMD) and Clostridial infections.
- Supply of essential medicines and vaccines by the Foundation.
- Strengthening livestock health, improving farmer livelihoods, and building community resilience.

Fodder Support

- Provides high-quality dry and green fodder to 24 nearby villages.
- Supports communities during harsh summers, droughts, and crop failures.
- Benefiting over 1,900 cattle owners and covering 16,239 cattle.
- Ensures livestock health and strengthens rural livelihoods during critical periods.

Community Development

"Infrastructure that connects, empowers, and sustains"

Community Development

Strengthening Water Security

Adani Foundation enhanced water resources through pond deepening, tank renovation, RRWHS setups, and river cleaning—improving water availability for households, farmers, and livestock across villages.

Enhancing Connectivity & Public Utilities

Development of CC roads, pipe culverts, approach roads, open sheds, gaushala facilities, and fishermen settlement infrastructure improved mobility, supported livelihoods, and created more functional community spaces.

Upgrading Social Infrastructure

Renovation of schools, community halls, crematoriums, sports areas, and health facilities strengthened access to education, healthcare, sanitation, and recreation—helping build more resilient rural communities.

CID - Key Community Developments

Luni and Sadau open shed

The open shed development in Luni and Sadau will provide a safe and accessible space for community meetings and events, strengthening social interaction and long-term community well-being.

Bhadresar and Vovar common gathering shed

The development of common gathering shed in Bhadresar and Vovar will create a safe and inclusive space for community meetings and events, promoting social connection and community well-being.

Construction of CC road Nana Kapaya

The construction of the CC road in Nana Kapaya will improve safe access, ease daily movement, and support better connectivity for the community.

Swavlamban

“JOURNEYS OF DIGNITY AND HOPE.”

The Adani Mangal Seva:

Adani Foundation launched Mangal Seva, a meaningful initiative aimed at empowering differently-abled married women. This transformative program is a reflection of the Foundation's commitment to inclusive and sustainable development.

financial assistance of
₹10,00,000/-
to **500**
married female divyangs.

Objective

Enables women to plan their futures with assurance, exercise independent decision-making, and participate fully in family and community life. Under this initiative, the Adani foundation has pledged annual financial assistance of ₹10 Lakh to 500 married female divyangs.

“Service is the highest form of devotion.”

**Seva Saadhna Hai, Seva Prarthana
Aur Seva Hi Parmatma Hai .**

-Mr. Jeet Adani

Impact

01

Ensuring a future of dignity, security, and stability for beneficiaries. & Strengthening inclusivity and social upliftment through impactful support

02

Divyang individuals gained access to entitlements, boosting confidence & community participation and Improved Livelihood Opportunities.

03

Strengthened rural outreach village level engagement ensured that even remote beneficiaries received timely support and recognition.

Swavlamban :

- **Government Scheme Facilitation:** Divyang individuals supported with medical certificates, bus passes, Sant Surdas benefits, and marriage assistance through documentation and enrollment help.
- **Empowerment & Inclusion:** Provided competitive exam kits, assistive equipment, and job placement support, fostering self reliance and social dignity under the Swavlamban Project

Advancing Sustainable Mobility: Electric Vehicle Initiative

Till date endeavor

AF livelihood support to 1774 Divyangs.

2484 in availing Government services

Key Outcomes

- **Unity & Social Harmony:** People from diverse backgrounds came together, strengthening communal bonds and mutual respect.
- **Spirit of Volunteerism:** Community groups actively contributed through voluntary services throughout the event.
- **Spiritual & Positive Environment:** The Katha fostered a serene, value-driven and uplifting atmosphere for all attendees.
- **Community–Business Connect:** Strong goodwill and engagement between the community and Adani team.
- **Economic Encouragement:** Local vendors and small businesses benefitted from increased activity during the event.
- **Food & Medical Support:** Devotees received prasad and free medical facilities during the program.

1,00,000
beneficiaries
attended the 7-
day spiritual
event.

Alignment with Core Thematic Activities

- The event provided a platform to gather people for health examination & medicine dispensation
- Marketplace alongside the venue offered the opportunity for the local economy to bloom
- Blending cultural-spiritual engagement with initiatives that support community welfare and empowerment.

Protection of national heritage, art & culture

The event served to preserve cultural beliefs

- Promotion of traditional art and handicrafts

Medical Camp

■ Female ■ Male

Events

Child Health Care Program – Bidada Sarvodaya Trust

Supported by Adani Foundation (18–24 December 2025), 7,500 government school students received health check-ups with transportation support. The program focused on early detection and preventive healthcare for children from remote areas.

Swavalamban

Enabled 50 differently-abled individuals with self-employment support and electric wheelchairs, fostering independence, dignity, and inclusive development.

Improving Rural Connectivity

2 km road stretch cleaned and treated with GSB, improving school access for children and enabling smoother market connectivity for farmers and orchard residents.

Pilgrim Medical Support Camp:

During Navratri, Adani Foundation organized a medical camp for pilgrims walking to Mata no Madh, providing doctors, medicines, and emergency transport

Balvatika Inauguration

Adani Foundation inaugurated a Balvatika at Zarpara School, benefiting 38 girl students by creating a nurturing early learning environment and strengthening access to quality education.

Events

Employee Volunteering

Adani Foundation employees supported community well-being through the distribution of nutrition kits at GK General Hospital, reinforcing their commitment to health and social impact.

International Coastal Cleanup Day Celebration at Salaya Beach, Mandvi

Adani Foundation organized beach clean-up with 150+ participants promoting marine biodiversity awareness, graced by MLA Shri Anirudhbhai Dave.

Education Support for Fishing Communities

80+ students from Mundra and Mandvi talukas supported through annual education kit distribution, with transportation assistance ensuring continued access to higher education.

Water Conservation

Renovation of Mamal Sagar enabled storage of 22,500+ CUM of water, benefiting 50+ farms and improving groundwater levels to strengthen local water security.

Women Entrepreneur Support:

Adani Foundation provided resource support to 50 women entrepreneurs from 5 SHGs, strengthening their journey toward sustainable livelihoods.

Events

Foundation Day at JNV Dumra

Program engaged 50+ employees and 560 students at JNV Dumra through tree plantation, safety training, and health check-ups, strengthening health and environmental awareness.

Community Infrastructure for Fishing Villages

A community shed was constructed in Tragadi and Modhva, providing a shared space for social gatherings, events, and collective activities to support the local fishing community.

Sangeet Prathibha Shodh- Program

104 students from across Kutch participated in singing and instrumental categories. All participants were awarded trophies, promoting cultural heritage and boosting confidence among rural talent.

World Disability Day Celebration at Nana- Kapaya

About 70 differently-abled individuals from Mundra and nearby areas took part in the event, receiving cabins, handcarts, sewing machines, and household-industry tools to support self-employment.

World Disability Day Celebration at Madhapar

The program honored and empowered over 300 persons with disabilities, offering digital training on tools like Sugamya Bharat and the Aadithi Chatbot. Educational kits were distributed to all participants.

Events

Tree Plantation Held on Hon'ble Chairman's Birthday at Zarpara Village

Village leaders and the Adani Foundation team attended, and a pledge was made to plant 5,000 trees.

Tree Plantation Held on Hon'ble Chairman's Birthday at Dhrab Village

Adani Vidya Mandir students and staff pledged to plant 5,000 trees, joined by village leaders and the Adani Foundation team.

Experiential Learning under Training Program

Teams from Mundra, Hazira and Dahej visited Aamba Pada village and Ambika Bagayat Cooperative in Dang to observe BAIF's bamboo livelihood and Wadi project initiatives. The exposure enhanced participants' understanding of sustainable livelihood models and value addition.

International Women's Day Celebration at Adani House

Women from the Kutch gathered to watch the live Swabhimaan – The Rise of She event, where Dr. Priti Adani announced the expansion of the Swabhimaan programme to empower 10 lakh women entrepreneurs across India.

Healthcare support

Adani extended healthcare support to Mundra by providing an ambulance to Gauraksha Seva trust to improve emergency care and community wellbeing.

AWARD & RECOGNITION

Best Performing
Organization For
Divyang

On the occasion of the World Divyang Day, Adani Foundation was honoured with an award in recognition of its exemplary contributions, undertaken in collaboration with Navchetan Sanstha, toward the welfare and empowerment of persons with disabilities.

Best Performing
Organization For
Adani Van

An award was conferred upon the Adani Foundation in recognition of the exemplary performance of the Adani Van initiative implemented in Beraja village.

APPRECIATION LETTERS

"Mangal Seva" Journeys of Dignity and Hope

The Adani Mangal Seva initiative builds on the Adani Foundation's wide development footprint across 7,000+ villages and urban centres in 22 states, impacting 9.6 million+ lives through programs in education, healthcare, and livelihoods. The initiative focuses on empowering newly married women with disabilities by providing financial security and promoting dignity, independence, and social inclusion.

Under the program, each eligible beneficiary receives ₹10 lakh as financial assistance through a fixed deposit, ensuring long-term financial stability and enabling women to pursue livelihoods, education, or entrepreneurship. With a vision to support 500 newly married women with disabilities, the initiative aims to create sustainable impact for families and communities.

Aligned with frameworks like the RPwD Act, 2016 and UNCRPD, the program goes beyond financial aid to promote dignity, equal opportunity, and inclusive community development.

“Roots of Revival”

Reclaiming the Earth Through afforestation

The Adani Foundation's Roots of Revival initiative reflects our sustained commitment to environmental conservation and climate resilience. Through scientifically planned and community-led afforestation efforts across Kutch, Gujarat, the program focuses on restoring degraded landscapes, enhancing biodiversity, and strengthening ecosystems. The Adani Foundation's green initiative, Harit Paryavaran ki Ek Pahal, outlining its systematic approach to environmental restoration.

During the reporting period, the program achieved the following outcomes:

- 89,400+ saplings planted, contributing to long-term ecological regeneration.
- 12 villages covered, ensuring broad community participation and strengthened ownership.
- 35 acres of land brought under green cover, biodiversity enhancement, and climate resilience.

The rejuvenated green space has emerged as a vital habitat for diverse species. Monitoring during the reporting period recorded:

- 77 avian species
- 4 mammalian species
- 4 insect species
- 8 reptile species

When Courage Finds a Classroom

“Madam believed in me—even when I didn’t believe in myself.”

Meghvad Lalit, a student of Dhrub Primary School, arrived from Rajasthan carrying more challenges than most children his age. Unfamiliar with the Kutchi language and weakened by illness, he remained silent in class—rarely writing, rarely participating, and often falling asleep after recess. During breaks, he sat alone, too tired and too shy to join others.

The truth surfaced during a mother’s meet. Lalit was battling a lump in his neck, complete kidney failure, heavy medication, and frequent dialysis. His health had kept him away from school for nearly two months. His silence was not disinterest—it was exhaustion and pain.

Understanding his struggle, Aziz Fatima Ma’am stepped in with patience and care. She spoke to him in Hindi to build comfort and used TLMs and Bala painting to teach matras creatively. For the first time, Lalit connected with the lessons—he understood, remembered, and began believing in his abilities. Little by little, Lalit responded—he understood, he remembered, and for the first time, he believed he could learn. That small spark became the turning point of his journey.

From hesitant steps to confident strides, Lalit began reading and writing Gujarati. His notebooks filled with neat handwriting, his answers grew stronger, and he started participating eagerly in class. The boy who once sat alone during recess now laughs and plays with friends. Today, Lalit stands proudly among the progressive learners as one of the brightest, most hardworking students—his success shining even brighter because of the challenges he has overcome.

Restoring Vision, Renewing Life: A Journey Through Cataract Care

“Restoring sight restores self-belief—one clear vision, one transformed life at a time.”

Jaimalji Noghanji Jadeja, a resident of Navinal Village, presented with a gradual, painless decrease in vision that was interfering with his daily activities, with no history of ocular trauma, prior eye surgery, infection, or systemic illness. Initial screening at the Adani Foundation Rural Clinic, Navinal, suggested an age-related cataract, and he was referred to Adani Hospital, Mundra, for further evaluation and management.

A detailed ophthalmic examination conducted by Dr. Sachin Firke under the “Cataract Free Mundra” initiative confirmed a mature age-related cataract with reduced visual acuity, while pupillary reactions, intraocular pressure, and posterior segment findings were normal. After appropriate counseling, the patient consented to surgical intervention.

Cataract extraction with foldable intraocular lens implantation was successfully performed on 05 February 2026 using a standard phacoemulsification technique under local topical anesthesia, without complications. Postoperatively, he demonstrated rapid visual improvement with no adverse events and, with good compliance to prescribed medications and postoperative instructions, achieved full functional visual recovery within four weeks. This case highlights the effectiveness of timely rural referral, modern surgical management, and structured postoperative care under the Cataract Free Mundra initiative.

From Hardship to Hope: The Shree Saheli Journey

“We started with uncertainty, but today we work with confidence and pride.”

In Tunda village near Adani Power, limited livelihood options left many widowed and less-educated women without stable income opportunities. Recognizing their need for economic empowerment, the Adani Foundation facilitated the formation of the Shree Saheli Self-Help Group (SHG).

The group initially started a small canteen with Foundation support, but due to low patronage, the venture closed. Undeterred, the women reassessed their approach and took up a cleaning contract within the Adani Power residential colony. With continuous guidance, training, and teamwork, they gradually built confidence and professionalism.

Today, the SHG provides stable employment to over 40 community members, with nearly 50 individuals earning ₹17,000–₹20,000 per month with annual turnover of Rs. 85 lacs. Beyond financial stability, the initiative has strengthened women's confidence, leadership, and dignity. Shree Saheli SHG stands as a powerful example of resilience, collective action, and sustainable community empowerment.

A New Beginning for Barren Fields: Sustainable Farming Transforms a Farmer's Life

"With drip irrigation, my land finally came to life. For the first time, I feel hopeful about the future of my farm."

A farmer from Bagda village in Mundra Taluka faced long-standing agricultural challenges due to rocky, uneven, and rain-fed land. With no access to reliable irrigation, he depended entirely on the monsoon, leaving a portion of his land uncultivated each year. The low and uncertain productivity severely limited his income, making farming a difficult and unpredictable livelihood.

The Adani Foundation provided timely financial support that enabled the farmer to install a drip irrigation system on two acres—his first experience with modern irrigation. This reduced the risks of rain-fed farming, lowered costs, and ensured efficient water use even during dry periods.

With drip irrigation, previously barren land became fully cultivable. The farmer successfully grew coriander (dhana) with healthier crops and better yields. This support significantly improved his productivity and strengthened his income, demonstrating how modern techniques and targeted assistance can transform rural livelihoods.

From Date Palm Fields to the University Gate: Gopal's Inspiring Journey

"The opportunity I received through the Adani Foundation gave me the confidence to continue chasing my dream of research and higher education."

Gopal Samra Mindhani from Zarpra Wadi in Kutch spent his early years working in his family's date palm (Kharek) orchard. Despite the demanding farm work, he remained passionate about education and successfully completed his Master's degree in Economics while continuing to help his family.

Gopal always dreamed of pursuing a PhD and researching Kutch's iconic Kharek cultivation. In 2023–24, while searching for employment to support his family, he participated in the Divyang Employment Fair organized by the Adani Foundation.

Recognizing his dedication, the Adani Foundation appointed him as an Utthan Sahayak Teacher. Along with his teaching responsibilities, Gopal continued preparing for the UGC examination with determination.

His hard work paid off when he cleared the UGC exam and secured admission to Gujarat University to pursue a PhD on Kharek research. His journey shows how determination and the right support from the Adani Foundation can transform dreams into reality.

A Hand of Hope: Malshreeben's Journey Toward Dignity

"Strength is not in the hands we have, but in the hope we hold."

In Moti Bhujpur village, Malshreeben was born without both hands, yet she grew with remarkable resilience and a quiet dream — to one day own a small piece of land where she could live close to nature. After marriage, financial constraints and fragmented family land kept that dream out of reach.

Everything changed when she received an unexpected call from the Adani Foundation's Mangal Seva initiative, informing her of a ₹10 lakh fixed deposit created in her name. Unsure it could be true, she sought confirmation twice, overwhelmed when the news was reaffirmed.

This support has transformed her life, replacing uncertainty with stability and restoring a deep sense of self-worth. Today, her long-held dream feels within reach, strengthened by dignity, confidence, and hope.

She proved that when resilience meets opportunity, even silent dreams find a voice.

Journey of Healing and Resilience

“When care is given with compassion, healing becomes a journey of strength and renewed hope.”

Tirthavandan Maharaj Saheb, a 50-year-old ascetic recognized for his disciplined and spiritual way of life, resided within a family comprising four brothers and two sisters. Notably, his younger brother, aged 19, had also committed to an ascetic lifestyle. Despite his dedication, Maharaj Saheb encountered significant health challenges that tested his resilience.

Approximately one year ago, Maharaj Saheb underwent a routine hernia repair in Mumbai. Unexpectedly, he experienced severe postoperative pain at the surgical site, which resulted in six months of immobility and substantial limitations in walking and daily activities.

Seeking further evaluation, he traveled to Surat, where an MRI identified post-operative neuritis of the inguinal nerves, considered responsible for his persistent symptoms.

Upon arriving at Adani Hospital, Mundra, Maharaj Saheb was welcomed by a compassionate medical team that provided attentive, personalized care. With advanced pain management, physiotherapy, and consistent support, he gradually regained strength and mobility, marking a significant recovery from his earlier immobility.

With the hospital's support, Maharaj Saheb recovered well, regained mobility, and expressed sincere gratitude to the Adani Foundation.

A Silent Courage - The story of Kajal & Savan

"Strength isn't measured by words, but by the dreams you protect and the hope you refuse to give up."

In Nandgam village, Kajal and Savan—a couple with hearing and speech impairments—struggled to secure a stable future for their children despite Savan's modest income of ₹15,000 per month.

Their primary concerns centered around ensuring quality education for their children and managing potential medical emergencies. Under the Adani Mangal Seva Yojana, the Adani Foundation identified the family for financial support and invited them to an announcement event, where they were provided a ₹10,00,000 fixed deposit to strengthen their long-term financial resilience.

This support created a dependable safety net, offering assured interest income to meet education and health-related needs. The couple expressed profound gratitude, with Kajal committing the interest earnings specifically toward her children's education. The intervention highlights the Foundation's commitment to inclusive development and its targeted efforts to uplift differently abled families.

From Darkness to Dawn: Sadiya's Inspiring Journey

"Even though my eyes cannot see clearly, my teacher helped me see my dreams more clearly. Now I believe I can achieve anything."

Born with severe vision impairment, Halepotra Sadiya, a student of Dhrub Primary School, faced significant challenges in learning. Even after four operations, her vision remained limited, making it difficult for her to read Gujarati, write clearly, and solve basic mathematics. Despite these difficulties, Sadiya was an intelligent and curious child, and with strong support from her parents, she continued attending school regularly.

A turning point came when Aziz Fatima, an Utthan Sahayak from the Adani Foundation's Project Utthan, recognized Sadiya's struggles and potential. With patience and dedication, she spent extra time guiding Sadiya and encouraged her to write in large letters to help her see and understand better. With continuous support, Sadiya gradually began overcoming her learning difficulties.

Within a year, Sadiya showed remarkable progress. She learned to read and write Gujarati, solve basic math problems, and confidently introduce herself in English during the morning assembly. Her quick responses in general knowledge sessions, storytelling, and her creative drawings reflected her growing confidence and abilities.

Today, Sadiya dreams of becoming a teacher herself. Her journey shows how the right guidance, dedication, and support from initiatives like Project Utthan and committed educators like Aziz Fatima can turn challenges into opportunities and create a brighter future.
